Action Taken and Relevant Proofs – AY2022-23

S. No.	Action to be taken	Action taken	Year	Proof
1	To include value added courses mandated by the DG shipping, Govt. of India.	The various courses mandated by the DG shipping have been introduced in the R2022 Curriculum	2023	R2022 Curriculum and Syllabus
2	To organize more ship visits to enhance the piratical exposure of the students.	The National Institute of Ocean Technology and the Indian National Centre for Ocean Information Services organized a ship visit on June 24, 2023, from 10 AM to 12 PM. Dr. A. Sankaran and Mr. A. Mohan from the Marine Engineering department accompanied students. Participants were introduced to ocean equipment like the drifting buoy, Argo float, turbulence profiler, underwater gliding vehicle, and conductivity-temperature-depth system. This visit offered valuable insights into ship operations for Marine Engineering cadets.	2023	Marine Engineering Newsletter July 2023
