Report of the Guest Lecture on "Post-Harvest Processing Equipment"

Dr. Ravindra Naik, Head, ICAR-CIAE

22nd November 2024

A guest lecture on "**Post-Harvest Processing Equipment**" was organized by Department of Biotechnology, Sri Venkateswara College of Engineering, Sriperumbudur and Bureau of Indian Standards- Biotechnology Club, SVCE on 22nd November 2024 (01.00 to 03.15 PM IST) in Library Seminar Hall. The guest lecture was conducted by Prof. P.K. Praveen Kumar, Biotechnology as coordinator and Prof. E. Nakkeeran, Head of the Department, Biotechnology as Convener.

The session was started with introduction of the guest speaker, **Dr. Ravindra Naik, Head, ICAR-Central Institute of Agricultural Engineering Regional Centre** in Coimbatore. The event was conducted in SVCE to get awareness of post-harvest processing equipment's. The main objective of the Guest Lecture was to disseminate knowledge on standards used for the post-harvesting equipment to the students and faculties. In this guest lecture, he has mentioned about the package for equipment for post-harvest processing, case study in primary processing equipment for curry leaf, Moringa, Aloe vera, Coconut, etc. He also provided exclusive session on the history of origin of Bureau of Indian Standards and the role of BIS in maintaining standards. In addition to these topics, he has provided information on testing of post-harvest equipment especially about his fabricated equipment, tower dryer. Finally, the guest lecture ended with interaction of chief guest with students.

50 Participants from I, II-, III- and IV-year UG students and 6 faculty members from the Department of Biotechnology, SVCE attended the event. The session was concluded with a vote of thanks delivered by Prof. P.K.Praveen Kumar. The Guest speaker, Dr. Ravindra Naik thanked the Bureau of Indian Standards for sponsoring him for travel, Organizers and the management of SVCE for the hospitality and successfully organizing this event.
