SRIPERUMBUDUR-602117**

REPORT ON NEW TECHNOLOGIES IN DIFFERENT VERTICALS

Guest Lecture Details:

1. Resource Person : **Mr. Girish Madhavan**
2. Target Audience : III year UG students of IT
3. Venue : Library Seminar Hall, SVCE
4. Date & Time : 26.07.2023, 1:30 P.M.

Objectives:

- To make familiar with “New Technologies in different Verticals”
- To create the awareness on different verticals and motivated them to learn.

About the programme:

The Department of Information Technology organized a Guest Lecture on “New Technologies in different Verticals” on 26th July 2023. About 55 participants attended the guest lecture and the programme highlighted the importance of New Technologies in different Verticals. The prayer song was beautifully rendered by the choir. Welcome address was given by Dr.V.M.Sivagami, Professor, Department of Information Technology. Followed by Dr.V.Vidhya, Head of the Department, Information Technology gave an introductory talk emphasizing the importance of the guest lecture. Introduction about chief guest was given by Mr. Sanjiv T.S, Treasurer of AIT. Faculty and the students from the Department of Information Technology actively participated in this guest lecture and got benefited from the programme.

Mr. Girish Madhavan started the lecture by explaining about New Technologies in different verticals and the importance of learning the

technologies. The speaker also discussed the significant role of Information Technology (IT) and provided guidance on how students can cultivate skills to pave the way for their careers. Mr. Girish Madhvan conveyed that IT stands as a dynamic and rewarding domain. By acquiring pertinent skills and remaining adaptable, students can position themselves for successful and gratifying careers encompassing a variety of IT-related roles.

The guest lecture proved to be useful for the audience. The participants got benefited from it. The session came to an end. Finally, Mr. V M. Sivagami, Professor/INT, delivered the vote of thanks.

Outcomes:

Participants were benefited and gained knowledge on,

- New Technologies in different Verticals
- To grasp the potential opportunities and diverse career prospects within this field in the coming future.
