REPORT ON CYBER CRIME AWARENESS

GUEST LECTURE DETAILS :

1. Resource Person : **Mr.Karthikeyan V**

2. Target Audience : III & IV year & UG students of IT

3. Venue : Function Hall

4. Date & Time : 30.10.2023 , 10am-12pm

OBJECTIVES

- To provide a foundational grasp of "Cyber Crime Awareness."

- To Foste awareness regarding diverse forms of cybercrime, including hacking, identity theft, phishing, ransomware, and online fraud.

- To Encourage the recognition of threats by assisting individuals in identifying prevalent cyber threats and tactics employed by cybercriminals, such as identifying phishing emails or malicious websites.

- To Emphasize the need to secure devices by Advocating the importance of safeguarding electronic devices (computers, smartphones, IoT devices) to thwart unauthorized access and potential cyberattacks.

About the programme

The Information Technology department orchestrated a Guest lecture on "Cyber Crime Awareness" on October 30th , 2023. The venue was filled with a myriad of III and IV-year students from the Information Technology department. The programme highlighted the necessity of knowledge about Cyber Security.

Ms.Keerthana M, the General Secretary of AIT, commenced the proceedings with a welcoming address, followed by Mr.Ramanadhan S P, the Treasurer of AIT, introducing the esteemed chief guest.

Dr. T. Sukumar, Assistant Head of the Information Technology Department, delivered an introductory speech, highlighting the event's significance. He emphasized the importance of Cyber Security Awareness, underscoring it as a field of great importance for the students.

Ms.Madhumitha R, an Executive Member of AIT, expertly compeered the event, paving the way for the Chief Guest to impart knowledge about Cyber Crime Awareness.

Mr. Karthikeyan V, Cheif guest, commenced an enthralling lecture, illustrating various practical examples and sharing crucial insights on the topic. He expounded on the pivotal role of security in diverse fields, stressing the responsibility of Information Technology engineers to comprehend the significance of securing their esteemed files.

The speaker explained about "Real-time Fraud incidents," providing a plethora of examples and engaging the students with various activities to facilitate easy and effective application of learned concepts. The students actively participated in these activities. The lecture concluded with the speaker offering valuable suggestions for students to prepare for job opportunities, grow in their respective fields, and gain practical experience. Additionally, he extended internship opportunities at Cappricio Securities to the students.

The guest lecture proved beneficial for all attendees, and the session concluded with a Vote of Thanks delivered by Sanjeevkumar, an Executive Member of AIT from the second year of the IT-B program.

The program concluded with the rendition of the National Anthem.

.

OUTCOMES :

- ❖ Enlightened both faculty and students on the importance of cyber safety techniques and how to effectively employ them.

- ❖ Offered students with the practical, real world applications of the concepts covered in their courses.

- ❖ Provided insights on managing complex situations to assist students in mastering their courses and encourage the application of knowledge in real-world scenarios.

- ❖ Elucidated the importance of cyber crime and effective methods for its prevention , thereby fostering a broader understanding of its workings and necessity.
