## **Official Invitation**

**To**

Dr. M. Rameshkumar

Respected Sir,

**Subject: Guest Lecture on “Exploring the future landscape of generative AI & LLM”**

At the outset, we are delighted to invite you as our esteemed Chief Guest for our upcoming Guest Lecture on “*Exploring the future landscape of generative AI & LLM*” on 13th March, 2024 from 01:30 PM - 03:00 PM exclusively for the 2nd, 3rd and 4th year students. Our aim is to provide our students with the latest trends and challenges present. We are honored to have someone with your expertise and stature to join us for this event.

Computer Society of India engages in several activities like Workshops, Hackathons, Expert Lectures, Symposia, and Industrial visits aimed to benefit our students and faculty members. These activities equip them to sharpen their technical skills and create awareness & bonding among our students.

Your presence will undoubtedly add a significant value to the session and help the students to embark on the values of the future. We are eagerly looking forward to welcoming you to our campus and providing our students with an enriching experience.

Thank you,

Yours sincerely,

(Dr. V. Vidhya)

CSI-SVCE Student Branch Counselor

## REPORT

DATE: 13-03-24

TIME: 01:30 PM

### OBJECTIVES:

- To give insights about the Future of Artificial Intelligence and LLM.
- To provide a brief idea on the skills required to become an AI engineer and to know about the future scope.

### ABOUT THE PROGRAMME:

The Computer Society of India - SVCE Student Chapter organized a Guest Lecture on “*Exploring the Future Landscape of Generative AI & LLM*”. It was held in the presence of our beloved chief guest **Dr. M. Rameshkumar**, Associate Professor and Head PG & Research Department of Computer Science, Government Arts College for Men(Autonomous), Nandanam. The event started with the welcome address delivered by **Kavitha**, Secretary of CSI.

The event proceeded with the introductory address about the chief guest given by **Dr. V. Vidhya**, the Student Branch Counselor of CSI and Head of Department of Information Technology where she spoke about the experience and accomplishments of the chief guests.

Following this, the chief guest, Dr. M. Rameshkumar gave an enlightening and informative speech about “Artificial Intelligence”. He initially explained what exactly the term artificial intelligence meant and proceeded with giving insights on how it will expand in the future. Later he discussed and interacted with the students by asking their opinions on how the future would look like. He also presented a token of appreciation to the student who interacted the most. It was an interactive and informative session. Then, **Dr. V. Vidhya**, CSI - SVCE Student Branch Counselor and Head of Department, Information Technology felicitated the chief guest with a memento. Finally the vote of thanks was delivered by **Praneesh**, Executive Member of CSI and it was concluded with a National anthem.

### OUTCOME OF THE PROGRAMME:

- The speaker gave the students in-depth knowledge about artificial intelligence and the Large Language Model.
- The speaker also gave insights about the necessary skill sets that are predicted to be explored in the future and also provided inputs to implement generative AI.
