Report of HACKIT 3.0 - An Industy associated inter college 24 Hours Hackathon sponsored by Mr.Cooper

1. Venue   :   Multi Purpose Hall

2. Date & Time   :   2nd April 2024 & 3rd April 2024

Objectives:

- To boost the innovation culture and establish idea-sharing and creativeness.
- To provide a opportunity for students to explore new technologies and demonstrate their skills and talents.
- To interact with the developer community

About the programme:

The Department of Information Technology in collaboration with the Computer Society of India - SVCE Student Chapter and Association of Information Technologists in partnership with Mr Cooper, India organized an inter-college hackathon, HackIT 3.0 from April 2nd to 3rd, 2024. Mr.Cooper sponsored the prize amount of Rs.30,000/-. HackIT 3.0 garnered a lot of interest from participants across various institutions, and many teams expressed their enthusiasm by registering their teams. In total, 60 teams signed up for the event, out of which 37 teams, comprising 178 participants, successfully qualified after rigorous screening. 17 teams from other institutions, including those from cities like Coimbatore, Erode, Namakkal, and Salem actively participated in this hackathon.

The event commenced with an inaugural ceremony at 1:00 PM on April 2nd, 2024, featuring the participating teams. The event commenced with a prayer song performed by Ms.

Rashmika R S and Ms. Raja Vishalini G, second-year students of INT. Ms. Akshara U J, President of AIT, extended a warm welcome to the attendees. Dr. V. Vidhya, Head of Department for INT, delivered the inaugural address, extending a heartfelt welcome to both the participants and the Chief Guest, Prof. Muraleedharan, Chief Placement Officer. She also encouraged the participating teams and extended her best wishes to them.

About HACKIT 3.0
Dr.P.Sharon Femi, ASP/INT

Vote of Thanks
Mr. Kaushick V S
CSI–SVCE Student Chaptet

Ms.Keerthana M, General Secretary of AIT provided a concise introduction about the chief guest. During the inaugural address, the Chief Guest emphasized the significance of the Hackathon and extended his best wishes to all the teams. He stressed the importance of technical events as a means to enhance the technical aptitude of students. He also gave insights about the expectation of industry in recruitment and motivated the students to improve their skillset. Dr. P. Sharon Femi, ASP/INT and Event Coordinator, extended a warm welcome to the participants and provided detailed instructions for the event. Mr. Kaushick V S, Treasurer, CSI- SVCE Student Chapter rendered the vote of thanks. The event was compered by Madhumitha R, II year INT A and the 24-hour clock was set.

The Hackathon progressed as teams demonstrated their remarkable technical prowess and presented their projects. Teams underwent evaluation through three rounds of review by both internal experts and industry professionals. The first review took place on April 2nd, 2024, at approximately 8 PM, conducted by internal experts and ended at 12:45 AM. This was followed by the HackIT Auction, where participants would be able to 'purchase' tasks that would benefit their team and give them an advantage over their competitors. The second review occurred on April 3rd, 2024, around 9:30 AM, and the third review took place around 12:15 PM, with juries from Mr. Cooper.
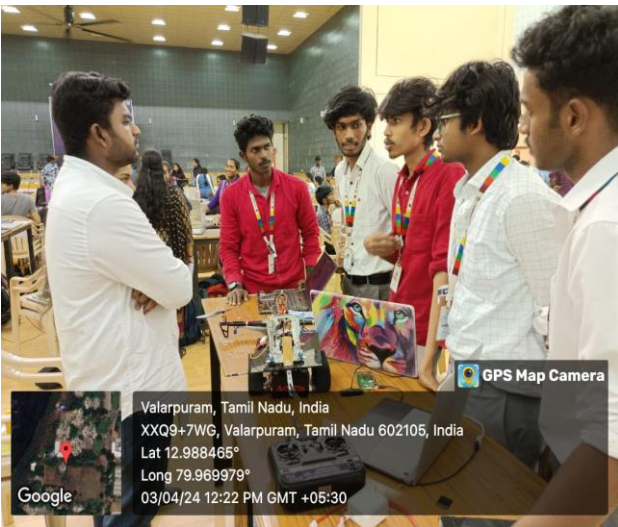

First Review by Internal Juries

Second review by Juries from Mr.Cooper

Third review

03/04/24 12:22 PM GMT +05:30

The panel members meticulously assessed and chose the teams with the most outstanding deliverables and presentations. Over the course of the event, the 8 jury members from Mr. Cooper diligently monitored the teams' advancements and offered steadfast support to guarantee the event's triumph. It was an honor to have our esteemed alumnus, Mr. Kabithapriyan Palanivel(an alumnus from 2013), Lead Engineering, Mr.Cooper among the jury members for the event.

The event concluded with a valedictory ceremony on April 3rd, 2024, featuring Mr. Mohanbabu Balachandran, Head of Technology and Vice President of Engineering at Mr. Cooper, as the chief guest. Ms. Madhumitha facilitated the event as the compere, with Ms. Rashmika R S and Ms. Raja Vishalini G, second-year students of INT, delivered the prayer song. Dr. V.M. Sivagami, Professor of INT and AIT Coordinator, extended a warm welcome to the attendees, and Dr. P. Sharon Femi, ASP/INT and Event Coordinator, provided an overview of the conduct of HACKIT 3.0. Dr. V. Vidhya, HOD/INT and Student Branch Counselor of CSI-SVCE Student Chapter, shared her thoughts on the projects undertaken by the teams and congratulated all participants for their active engagement. Ms. R. Saktheeswari, Assistant Professor of INT and Event Coordinator, introduced the chief guest.

The chief guest commended the participants for their dedication and encouraged them to persist in developing their projects further. He highlighted the interdisciplinary nature of the teams, composed of students from various departments, and praised them for aligning their ideas

with industry standards. The chief guest expressed admiration for the participants' technical prowess. Feedback on the projects was provided by our alumnus, Mr. Kabithapriyan Palanivel, and other jury members from Mr. Cooper. Jury members gave their valuable feedback and opportunities for improvement before the commencement of prize distribution.

Finally, the chief guest announced the winners of the event, awarding the first place team with a cash prize of Rs. 15,000, the second place team with Rs. 10,000, and the third place team with Rs. 5,000. The chief guest and the jury members were honored with mementos by Dr. V. Vidhya, HOD/INT. The event concluded with a vote of thanks delivered by Dr. A. Kala, ASP/INT and Event Coordinator.

Valedictory - 27/04/2023 - 1.30 PM

HackIT 3.0 Winners

Place	Team Name	Team Members	College
I	Electro Mauericks	S Praveen Kumar R Hari Haran S Kesavakishore V Gopalakrishnan Ganesh Raj B	Panimalar Engineering College
II	Code 0	Aiswarya S M Kaviyanjali M Ebishdon G V Rr Harisharajan Shivaprasath R Aruneshwar U S	Sri Sairam Institute of Technology
III	Tech Alchemists	Manisha M Kathiravan M Dharun Dharshan R Y Abishek N Ayyanar P Jyothish V	Sri Venkateswara College of Engineering

1st Prize
2nd Prize
3rd Prize

The event was published in the Tamil Hindu on 9th April 2024.

Participant details

Total Number of Participants : 180

Total Number of Teams Registered : 60

Total Number of Teams Shortlisted : 38

Total Number of External Participants :75

Total Number of CSI Members : 38

Total Number of Non CSI Members : 142

Total Number of Teams Registered From Other Colleges : 18

Outcomes:

- Enabled the participants to effectively utilize UI/UX design and enhance their skill sets.
- Exposed the participants to explore the industry technical trends and development practices.
- Encouraged participants to think innovatively in solving problems using current technologies, fostering a culture of innovation and entrepreneurship.

SRI VENKATESWARA COLLEGE OF ENGINEERING

Department of Information Technology

29.02.2024

Submitted to the Principal:

Subject: Requisition of permission to conduct industry associated 24-Hours Hackathon 'HackIT3.0'

For the past two years, the Department of Information Technology, in collaboration with Mr. Cooper, a service-based industry, has organized HackIT. This initiative has provided students with the chance to develop interdisciplinary projects, showcasing their skills, and connect with professionals in the field. A panel of judges from Mr. Cooper has evaluated the students' projects and provided ongoing feedback to align with industry standards. This has greatly enriched students' understanding of current technical trends.

As a continuation, it is proposed to conduct an inter-college 24-Hours Hackathon- "HackIT 3.0" for the students by the Department of Information Technology in association with Mr.Cooper and CSI-SVCE student chapter during 2rd and 3rd April 2024.

Objectives

- To boost the innovation culture and establish idea-sharing and creativeness.
- To provide a opportunity for students to explore new technologies and demonstrate their skills and talents.
- To interact with the developer community
