SRI VENKATESWARA COLLEGE OF ENGINEERING
DEPARTMENT OF INFORMATION TECHNOLOGY
Guest Lecture on "Opportunities in Cyber Security: Industry Perspective"
A Report

Objectives:

- ❖ To provide insights into the cyber security industry.
- ❖ To explore career opportunities in cyber security.
- ❖ To understand industry trends and challenges.
- ❖ To share real-world experiences from industry experts.
- ❖ To facilitate networking opportunities for students.

About the programme:

The Department of Information Technology in association with AIT organised a guest lecture on **Opportunities In Cyber Security: Industry Perspective** on 12/04/2024.

The event commenced with a soulful prayer song performed by G. Rajavishalini from II year IT-B, The esteemed Chief Guests, Mr. Sanjay Ramesh Kumar, Security Analyst at Vmaas, Securin, Inc., and Ms. Nandhini Ramamoorthy, also a Security Analyst at Vmaas, Securin, Inc., were warmly welcomed by the Nandhavalli from III year from the Department of Information Technology, followed by a gracious welcome address by Dr. V. Vidhya, Head of the Department. Dr. V. Vidhya shared insightful remarks on the significance of cyber security in both academic and industry realms, underscoring the critical importance of initiatives like the one being inaugurated.

Ms. Nandhini Ramamoorthy commenced the lecture with a comprehensive introduction to cyber security, delving into real-time cyber threats and elucidating the distinction between Information Security and Cyber security. Her engaging

presentation captivated the audience, providing them with a solid foundation in the subject matter. Following her, Mr. Sanjay Ramesh Kumar shed light on the roles and responsibilities of cyber security analysts, offering a glimpse into a typical day in the life of a cyber security professional. He emphasized the technical and non-technical skills required to thrive in this field, imparting valuable insights to the eager participants.

Continuing the discourse, Ms. Nandhini elaborated on value-added courses in cyber security and shared industry expectations from aspiring professionals. Her guidance served as a roadmap for students aspiring to pursue a career in cyber security, offering clarity on skill development and career prospects in the dynamic industry landscape.

The guest lecture concluded on a high note, leaving the participants inspired and enlightened about the vast opportunities and challenges in the field of cyber security. The event not only provided valuable knowledge but also fostered a sense of enthusiasm and determination among the students to explore and excel in this ever-evolving domain.

Towards the conclusion of the guest lecture, an interactive session was conducted, allowing students to engage directly with the esteemed guest speakers. The participants enthusiastically posed a myriad of queries, seeking further insights and guidance to enhance their skills and career prospects in cyber security. The interactive dialogue fostered a vibrant exchange of ideas and perspectives, providing students with valuable firsthand knowledge and practical advice from seasoned industry professionals.

The engaging interaction session served as a platform for students to clarify doubts, gain deeper understanding, and seek career-oriented guidance directly from the experts. Topics ranged from technical queries about specific cyber security tools and techniques to inquiries about career pathways, industry trends, and skill development strategies. The guest speakers patiently addressed each query, sharing their expertise

and personal experiences to offer valuable insights and practical advice to the eager participants.

The interactive segment not only enriched the students' learning experience but also encouraged active participation and dialogue, fostering a collaborative learning environment. It served as a testament to the success of the event in providing a platform for students to interact with industry professionals, gain valuable insights, and strengthen their knowledge and skills in the field of cyber security.

Overall, the interactive session added a dynamic dimension to the guest lecture, empowering students with the knowledge, confidence, and motivation to pursue excellence in cyber security and chart their course towards a successful career in this rapidly evolving domain.

OUTCOMES:

- ❖ Increased awareness of career opportunities in cyber security.
- ❖ Enhanced understanding of industry trends and challenges.
- ❖ Acquisition of knowledge and insights from industry experts.
- ❖ Networking opportunities with professionals in the cyber security field.
- ❖ Motivation for students to pursue further education or training in cyber security.
- ❖ Inspiration to explore career paths in cyber security.

10th April 2024

To

Mr.Sanjay.R
IT Alumni (2016-2020)
Security Analysts, Securin Inc
Chennai

Dear Madam,

Subject: Invitation – Chief Guest for Webinar on ""- reg.

At the outset, we would like to thank you for your graceful acceptance of our invitation to deliver a guest lecture on " "on 12th   April 2024, 11.00 AM onwards.

The Department of IT engages in several activities like Workshops, Expert Lectures, Symposia, and Industrial visits aimed to benefit our students and faculty members. These activities equip them to sharpen their technical skills and create awareness & bonding among our students.

The Department of IT looks forward to your presence amongst our faculty members and students for sharing your valuable thoughts and advice on the above topic which will enrich their knowledge.

We thank you once again for accepting our invitation. We are eagerly awaiting for your interaction among our students and our faculty members with your expertise.

Thank you.

Yours sincerely,
(Dr. V. Vidhya)
HoD /Information Technology
SVCE.
