GUEST LECTURE REPORT

DATE: 24-04/24

TIME: 01:00 PM

OBJECTIVES:

- To provide an overview of Agile methodologies and their applications in modern software development
- To explore current industry trends and advancements in Agile practices.
- To illustrate successful Agile implementation through practical examples and case studies
- To facilitate interactive discussions to exchange experience and ideas for optimizing Agile processes in different organizational contexts.

ABOUT THE PROGRAMME:

The Computer Society of India - SVCE Student Chapter organized a Guest Lecture on "**Agile Software Development - Its Current Dimension in the Industry**".

The event was graced by our esteemed chief guest, **Mr. Ananthanarayanan N**, who holds a Master of Science in Information Technology (MS IT) degree, along with certifications including CAL-E (Certified Agile Leadership - Essentials), ICP-CAT (ICAgile Certified Professional - Agile Coaching), ICP-ACC (ICAgile Certified Professional - Agile Coaching), CSP-SM (Certified Scrum Professional - ScrumMaster), M3.0 (Management 3.0), and SPC 4 (SAFe Program Consultant 4.0).

The event commenced with a warm welcome address delivered by **Kavitha**, Secretary of CSI, setting an enthusiastic tone for the proceedings. **Dr. V. Vidhya**, the

Student Branch Counselor of CSI and Head of Department of Information Technology, then provided an introductory address about the chief guest, highlighting his extensive experience and achievements in the field.

Mr. Ananthanarayanan N delivered an insightful lecture on "Agile Software development", wherein he elucidated the concept of Agile methodology and its significance in the current industry landscape. He shared valuable perspectives on the expansion of Agile practices in the future, engaging the audience in an interactive discussion about their visions for the future of software development.

Mr. Ananthanarayanan N also acknowledged and rewarded active student participation, fostering an engaging environment.

Following the lecture, Dr. V. Vidhya felicitated Mr. Ananthanarayanan N with a memento as a token of appreciation for his enriching contribution to the event.

The session concluded with a vote of thanks delivered by **Praneesh**, Executive Member of CSI, expressing gratitude to all participants, organizers, and faculty members involved in making the event a success.

The event concluded with the rendition of the National anthem, marking the culmination of an informative and interactive session facilitated by the collaborative efforts of CSI office bearers and concerned faculties.

OUTCOME OF THE PROGRAMME:

- Participants understanding of Agile principles and their practical applications deepens.
- Attendees become acquainted with industry best practices and emerging trends in Agile software development.

SRI VENKATESWARA COLLEGE OF ENGINEERING
(Autonomous, Affiliated to Anna University)
Pennalur, Sriperumbudur-602117

Enhanced collaboration and communication skills enable participants to work more effectively in Agile teams.

- Graduates are equipped to drive organizational change and foster a culture of agility within their respective organizations.
