REPORT

DATE: 14-11-23

TIME: 9:30 AM

Mode: Offline

Target audience: Second year ,CS &IT students.

Subject mapped: Prerequisite for Machine learning

OBJECTIVES:

- To give insights about Convergence of Artificial Intelligence and Emotional Intelligence and their applications in the modern world.
- To provide a brief idea on the skills required to become an AI/ML entrepreneur.

ABOUT THE PROGRAMME:

The Inaugural ceremony of the Computer Society of India - SVCE Student Chapter 2023-2024 was conducted on 11th of November 2023. It was held in the presence of our beloved chief guest Mr. **Deepak Subramanian**, Founder of Emonet. The event started with the welcome address delivered by **Akshaya. M** ,Vice-Chairperson of CSI.

The event was then proceeded with the introductory address about the chief guest given by **Dr. V. Vidhya**, , the Student Branch Counselor of CSI-SVCE and Head of Department of Information Technology who perused the annual report for 2022-23, expressed gratitude and appreciation to the former office bearers while extending heartfelt wishes to the new office bearers. **Mr. Ranjith**, the CSI coordinator, also conveyed his gratitude and extended appreciation to both the former and new office bearers of the CSI-SVCE student chapter.

The office bearers of CSI 2023-2024 were announced and honored.

Following this, the chief guest, Deepak Subramanian gave an enlightening and informative speech about “Artificial Intelligence ”. He initially explained what exactly the term artificial intelligence meant and proceeded with giving insights on machine learning, the various

algorithms used etc. Later he discussed on what motivated him to get into the field of entrepreneurship and spoke about his start up 'Emonet' which works based on emotional intelligence. He explained how "Emonet" works and gave us in-depth knowledge about ML and the necessary skills that are needed to become a ML engineer. It was an interactive and informative session.

Followed by Deepak, Mr.Rakesh Elamaram, alumni of SVCE, shared his experience of being a part of CSI, and gave insights about Emonet and the hard work put in to develop the start up. Mr. Ranjith gave introduction of all office bearers for the academic year (2023-24).

Last session happened to be an interactive session where students had their ideas and questions pitched and Mr.Deepak shared his opinions.

Finally the vote of thanks was delivered by Kavitha R,Secretary of CSI. The event went good and interactive by the co-operative work done by the CSI office bearers, and faculties concerned.

OUTCOME OF THE PROGRAMME:

- The speaker gave the students in-depth knowledge about artificial intelligence and emotional intelligence.
- The speaker also gave insights about the necessary skill sets that are required to become industry ready.
- Students acquired insights into initiating AI/ML startups and gained exposure to the diverse opportunities for AI/ML in international universities.
