Report on Webinar on Perspectives on the biological effects of radiation exposure: public vs biologist

12th June, 2020

A Webinar on “Perspectives on the biological effects of radiation exposure: public vs biologist” was organized by Department of Biotechnology, Sri Venkateswara College of Engineering, Sriperumbudur on 12th June, 2020 at 3:00 PM through Google meet. Dr. PK Praveen Kumar, Dr. K. Divakar, Ms. R. Rathna organised/coordinated to conduct the webinar.

The session was started with a welcome address by Prof. E. Nakkeeran, Head, Department of Biotechnology, SVCE. Dr. PK. Praveen Kumar, Associate Professor, Department of Biotechnology introduced the guest speaker Prof. P.Venkatachalam, Professor & Associate Dean (Research), Department of Human Genetics, Sri Ramachandra Institute of Higher Education & Research, Chennai . The guest speaker enlightened the audience with his informative talk on “Perspectives on the biological effects of radiation exposure: public vs biologist”.

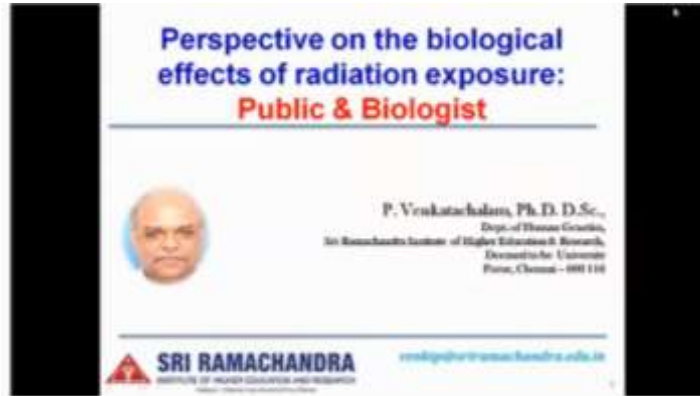

Participants including students, faculty members from SVCE and external participants from various institutions (engineering colleges, Arts and Science College) attended the event. It was followed by a question and answer/interaction session. The guest speaker, Prof. P.Venkatachalam addressed the questions raised by the participants and interacted with the participants. In this webinar 333 participants attended and got benefited.

The session ended with a vote of thanks delivered by Dr. K. Divakar, Associate Professor, Department of Biotechnology Department of Biotechnology, SVCE. Guest speaker, Prof. P.Venkatachalam thanked the organizers and the management of SVCE for organizing this event. Feedback forms were collected from the participants. The program was very well received by the participants and it was well appreciated. E-certificates were distributed to the participants.
