Report on Guest Lecture on Biofuels and Sustainable Applications of Lipid Extracted from Microalgae

30.01.2021

A Guest Lecture on “Biofuels and Sustainable Applications of Lipid Extracted from Microalgae” was organized by Department of Biotechnology, Sri Venkateswara College of Engineering, Sriperumbudur on 30.01.2021 at 1:30 PM in the Department Conference Hall. Prof. E.Nakkeeran and Dr. K. Divakar organised/coordinated to conduct the Guest Lecture.

The session was started with a welcome address by Prof. E. Nakkeeran, Head, Department of Biotechnology, SVCE. Dr. K.Divakar, Associate Professor, Department of Biotechnology introduced the guest speaker Dr. B. Ravindran, Assistant Professor, Department of Environmental Energy & Engineering, Kyonggi University, Suwon-si, Korea. The guest speaker enlightened the audience with his informative talk on “Biofuels and Sustainable Applications of Lipid Extracted from Microalgae”.

Participants including students, faculty members from SVCE attended the event. It was followed by a question and answer/interaction session. The guest speaker, Dr. B. Ravindran addressed the questions raised by the participants and interacted with the participants. In this webinar 83 participants attended and got benefited.

The session ended with a vote of thanks delivered by Dr. K.Divakar, Associate Professor, Department of Biotechnology Department of Biotechnology, SVCE. Guest speaker, Dr. B. Ravindran thanked the organizers and the management of SVCE for organizing this event. The program was very well received by the participants and it was well appreciated.
