### ***Report on Guest Lecture on Vaccine Production***

***13th March 2020***

A Guest Lecture on “Vaccine Production” was organized by Department of Biotechnology, Sri Venkateswara College of Engineering, Sriperumbudur on 13th March 2020 at 11:00 AM. Prof. S. Prabhu organised the guest lecture and Dr. K. Divakarr coordinated to conduct the event.

The session was started with a welcome address by Prof. E. Nakkeeran, Head, Department of Biotechnology, SVCE. Dr. S. Prabhu, Professor, Department of Biotechnology introduced the guest speaker Dr. Selvaraj Jeganathan, Assistant Research Officer, Pasteur Institute of India, MHFW, Govt of India, Coonoor, Nilgris. The guest speaker enlightened the audience with his informative talk on “Vaccine Production”. He explained about importance of vaccine, basics of vaccine production, methods and techniques adopted for production.

Participants including students, faculty members from SVCE attended the event. It was followed by a question and answer/interaction session. The guest speaker, Dr. Selvaraj Jeganathan addressed the questions raised by the participants and interacted with the participants. In this guest lecture 92 participants, 85 students and 7 faculty members attended and got benefited.

The session ended with a vote of thanks delivered by Ms. Vidhi Agarwal, student of 4th Year B.Tech Biotechnology Department of Biotechnology, SVCE. Guest speaker, Dr. Selvaraj Jeganathan thanked the organizers and the management of SVCE for organizing this event.
