**REPORT ON GUEST LECTURE TITLED “DEVELOPING VACCINE FOR
LYMPHATIC FILARIASIS, A NEGLECTED TROPICAL DISEASE”**

11th NOVEMBER, 2016

Guest Lecture on “Developing Vaccine for Lymphatic Filariasis, A Neglected Tropical Disease” was organized by the Department of Biotechnology, Sri Venkateswara College of Engineering, Sriperumbudur on 11th November, 2016 at 11 AM in the Biotechnology Conference Hall. Prof. M. Sivanandham and Prof. E. Nakkeeran organized the Guest Lecture.

The lecture was started with a welcome address by Prof. E. Nakkeeran, Head, Department of Biotechnology, SVCE. Prof. M. Sivanandham, Secretary, SVEHT & Visiting Professor of Biotechnology, SVCE addressed the participant on the importance of the lecture and introduced the guest speaker, Prof. Ramaswamy Kalyanasundaram, Professor of Microbiology and Immunology, Head of the Department of Biomedical Sciences and Fulbright-Nehru Academic and Professional Excellence Scholar, University of Illinois Rockford, College of Medicine, IL, USA.

The speaker enlightened the participants with the informative talk on “Developing Vaccine for Lymphatic Filariasis, A Neglected Tropical Disease”. Participants (students and faculty members from SVCE) attended the event. It was followed by a question and answer/interaction session. The guest speaker, Prof. Ramaswamy Kalyanasundaram addressed the questions raised by the participants and interacted with the participants. 85 participants were attended this lecture and got benefited.

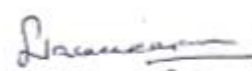

The lecture ended with a vote of thanks delivered by Prof. E. Nakkeeran, Professor Head, Department of Biotechnology, SVCE. Guest speaker, Prof. Ramaswamy Kalyanasundaram thanked the organizers and the management of SVCE for organizing this lecture and hospitality during his stay in the campus. Feedback forms were collected from the participants. The program was very well received and appreciated by the participants.
