

REGISTRATION FEE

Students/ Scholars/ Academicians : Rs. 300

Industry Professionals : Rs.750

Participants are requested to send their details through **e-mail on or before 10th February 2017**. Confirmation will be sent to the selected participants through e-mail. Only the selected participants are requested to register with registration fee in the form of Demand Draft drawn in favor of “The Principal, SVCE, Sriperumbudur” payable at Indian Bank, Sriperumbudur. **Filled in registration form along with DD should be sent to the below mentioned address on or before 20th February, 2017. The number of participants is limited to 40 and the selection will be based on first-cum-first serve.**

BONAFIDE CERTIFICATE

(For Students only)

Mr./Ms. _____

is permitted to attend the National Workshop on “Enzyme-Linked Immunosorbent Assay for the Determination of Immunological Binders” on 2nd March, 2017 at Sri Venkateswara College of Engineering, Sriperumbudur Tk – 602 117, Tamilnadu.

ABOUT THE INSTITUTION

Sri Venkateswara College of Engineering (Autonomous), one of the premier technical institutions in Tamilnadu, was established in 1985. The College is situated on the Chennai–Bangaluru National Highway (NH4) about 37 km south-west of Chennai. The college offers 10 UG programmes and 10 PG programmes. The National Board of Accreditation accredited many of the eligible programmes and SVCE is an ISO 9001:2008 certified institution.

DEPARTMENT OF BIOTECHNOLOGY

Sri Venkateswara College of Engineering noted the recent growth in Modern Industrial Biotechnology. In order to support the growth in Biotechnology, SVCE started the Department of Biotechnology in 2005 under the guidance of our Chairman Dr.A.C.Muthiah, a well known Industrialist who understands the strength of Industrial Biotechnology. The department offers B.Tech and M.Tech Biotechnology programmes under Anna University, Chennai, approved by AICTE. It is also approved as a Research Center in Biotechnology for MS (by Research) and Ph.D. programmes by Anna University, Chennai.

PROGRAMME OBJECTIVE

The Enzyme-Linked Immunosorbent Assay has been used as diagnostic tool in medicine, pathology, agro-environmental sciences, forensic science as well as in food industries for quality control. Keeping in view of the educational and research need, this workshop is focused to impart theoretical knowledge through seminars by pioneers in the field of ELISA and impart practical knowledge through hands-on-session. Through this workshop, the participants will be able to perform ELISA technique independently and interact with the experts in the related field.

COURSE CONTENT & SCHEDULE

The workshop consists of lecture sessions on “Current and upcoming prognostications of Pharma and healthcare industries” and hands-on training session on ELISA.

VENUE

Sri Venkateswara College of Engineering (Autonomous), Sriperumbudur, Tamilnadu, India.

TRANSPORTATION

The participants can avail the SVCE bus facility to attend this workshop. For route details, please refer www.svce.ac.in.

ACCOMMODATION

Accommodation can be arranged in the hostels on prior notice, for which the participants will have to bear the subsidized charges and the participants are advised to send the request on or before 25th February, 2017 to ensure the accommodation.

DATES TO REMEMBER

Last date for e- registration : 20.02.2017
Intimation of selection : 11.02.2017
Last date for registration with DD : 20.02.2017
Last date for accommodation : 25.02.2017

For clarifications please e-mail to elisa2016@svce.ac.in

**REPORT ON NATIONAL WORKSHOP ON “ENZYME-LINKED
IMMUNOSORBENT ASSAY FOR THE DETERMINATION OF
IMMUNOLOGICAL BINDERS”**

2nd MARCH, 2017

National Workshop on “Enzyme-Linked Immunosorbent Assay for The Determination of Immunological Binders” sponsored by M/s. Janaki Scientific Company, Chennai was organized on 2nd March, 2017 by the Department of Biotechnology at Sri Venkateswara College of Engineering, Sriperumbudur. This workshop included series of lectures and practical hands-on-sessions by in-house faculty members. 60 registered participants were actively participated in this workshop from various colleges/Institutions across the country. Prof. M. Sivanandham, Prof. E. Nakkeeran and Mr. D. Suresh Kumar organized this Workshop.

The inaugural function was started at 8.30 am with a prayer song followed by welcome address by Prof. E. Nakkeeran, Professor and Head, Department of Biotechnology. Prof. S. Ganesh Vaidyanathan, Principal, SVCE delivered the patron’s address. Prof. M. Sivanandham, Secretary, SVEHT & Visiting Professor of Biotechnology, SVCE delivered the Chief Guest address. In his speech, he highlighted the importance of the workshop and addressed the significance of the topics. After his speech, he inaugurated the workshop.

Prof. R. B. Narayanan, Professor & Dean, Department of Biotechnology, Sri Venkateswara College of Engineering delivered a technical talk on ELISA and its applications. Mr. D. Suresh Kumar and Mr. J. Hariharan delivered the Hands on Session on Enzyme-Linked Immunosorbent Assay for the Determination of Immunological Binders in the forenoon session. Prof. M. Sivanandham, Secretary, SVEHT & Visiting Professor of Biotechnology, SVCE delivered a technical talk on ELISA and its importance in the afternoon.

The valedictory address was delivered to the participant by Prof. S. Ganesh Vaidyanathan, Principal, SVCE in the afternoon. The organizing secretary, Prof. E. Nakkeeran summarized the proceedings of the workshop. The program was concluded by thanking all the contributors, the management and the participants by the coordinator, Mr. D. Suresh Kumar. Feedback for all the sessions was obtained from the participants. On the whole the workshop was extremely informative and helpful, and enlightened the participants. The overall feedback provided by the participants for the workshop was more than satisfactory for their needs.
