

REGISTRATION

Participants are requested to send their details through **e-mail/post on or before 1st February, 2017**. Confirmation will be sent to the selected participants through email/post. **Filled in registration form should be sent to the below mentioned address on or before 1st February, 2017. The selection will be based on first-cum-first serve.**

BONAFIDE CERTIFICATE (For Students only)

Mr./Ms. _____

is permitted to attend the “Popular Lectures on Biotechnology” on 10th February, 2017 at Sri Venkateswara College of Engineering (Autonomous), Sriperumbudur Tk – 602 117, Tamilnadu.

Date: _____ Signature
(Designation & Seal)

Popular Lectures on Biotechnology February 10, 2017

REGISTRATION FORM

1. Name :
2. Designation :
3. Age :
4. Participant Category: Student / Faculty /
Industry/Public
5. Branch & Year :
6. Name of the Institution with postal address:
7. E-mail ID :
8. Mobile number :
9. Specialization :

Declaration

I agree to abide by the rules and regulations of the programme.

Place:

Date:

Signature

(Copy of this form can be used for registration)

POPULAR LECTURES ON BIOTECHNOLOGY

10th February, 2017

Sponsored by

Department of Biotechnology
Govt. of India, New Delhi

Organized by

DEPARTMENT OF BIOTECHNOLOGY

SRI VENKATESWARA COLLEGE OF
ENGINEERING (AUTONOMOUS)

CONVENER

Prof. M. Sivanandham

ORGANIZING SECRETARY

Prof. E. Nakkeeran

COORDINATORS

Mr. S. Nagavignesh Ms. P. Jaibiba

Mr. B. Shankaranarayanan Ms. R. Rathna

Sri Venkateswara College of Engineering (Autonomous)
Pennalur, Sriperumbudur Tk - 602 117

ABOUT THE INSTITUTION

Sri Venkateswara College of Engineering (Autonomous), one of the premier technical institutions in Tamilnadu, was established in 1985. The College is situated on the Chennai–Bangaluru National Highway (NH4) about 37 km south-west of Chennai. The college offers 10 UG programmes and 10 PG programmes. The National Board of Accreditation accredited many of the eligible programmes and SVCE is an ISO 9001:2008 certified institution.

DEPARTMENT OF BIOTECHNOLOGY

Sri Venkateswara College of Engineering noted the recent growth in Modern Industrial Biotechnology. In order to support the growth in Biotechnology, SVCE started the Department of Biotechnology in 2005 under the guidance of our Chairman Dr.A.C.Muthiah, a well known Industrialist who understands the strength of Industrial Biotechnology. The department offers B.Tech and M.Tech Biotechnology programmes under Anna University, Chennai, approved by AICTE. It is also approved as a Research Center in Biotechnology for MS (by Research) and Ph.D. programmes by Anna University, Chennai.

SCHEDULED LECTURES OF THE SERIES

LECTURE 1:

Development of Dendritic Cell Vaccines - A Biotechnopreneurship Approach

Prof. M. Sivanandham, Ph.D

Secretary & Visiting Professor of Biotechnology
Sri Venkateswara College of Engineering
Chennai – 602117, Tamilnadu

LECTURE 2:

Recent Advances in Nutraceutical and Functional Foods

Dr. N. Kumaresan, Ph.D

Scientist – Food Science & Technology
TATA Chemicals Ltd
Pune - 411028, Maharashtra

LECTURE 3:

Advances in Applications of Membrane Technology in Biotechnology Industries

Dr. R. Subramanian, Ph.D

Chief Scientist
CSIR-Central Food Technological Research
Institute, Mysuru - 570020, Karnataka

VENUE

Sri Venkateswara College of Engineering (Autonomous), Sriperumbudur, Tamilnadu, India.

TRANSPORTATION

The participants can avail the SVCE bus facility to attend this programme. For route details, please refer www.svce.ac.in. For clarifications please e-mail to popularlecturesbt@svce.ac.in

DATES TO REMEMBER

Last date for e- registration : 1.2.2017

Intimation of selection : 2.2.2017

Mailing Address

Prof. E. Nakkeeran

Report on Popular Lectures on Biotechnology

'Popular Lectures on Biotechnology' was organised to create awareness about the advancements and incite interest in the field of Biotechnology by the Department of Biotechnology, Sri Venkateswara College of Engineering, on 10th February, 2017.

The programme sponsored by Department of Biotechnology, Government of India, New Delhi, attracted around 300 participants including school students, college students, faculty members from various colleges and general public of the region. Prof. S. Ganesh Vaidyanathan, Principal, Sri Venkateswara College of Engineering (Autonomous), presided over the inaugural meeting. The inaugural keynote lecture was delivered by Dr. R. Subramanian, Chief Scientist from CSIR-Central Food Technological Research Institute, Mysuru. He talked about the advances in applications of Membrane Technology in Biotechnology Industries. Dr. N. Kumaresan, Scientist, Food Science & Technology from TATA Chemicals Ltd., Pune, elaborated about the commercial development of nutraceuticals and functional foods, which has beneficial bioactive molecules such as polyphenols, flavanoids, isoprenoids, proteins, peptides and fatty acids.

The concluding lecture was delivered by Prof. M. Sivanandham, Secretary & Professor of Biotechnology, Sri Venkateswara Health and Educational Trust, Chennai in the regional language which was highly appreciated by the gatherings. He gave an informative speech on 'Development of Dendritic Cell Vaccines – A Biotechnopreneurship Approach'. He talked about the historical development, criteria for the production of an ideal vaccine and effects of the vaccine on the global scenario and current approaches in vaccine production. At the end of the program Prof. E. Nakkeeran, Head, Department of Biotechnology who is the convener of the meeting gave felicitation speech.
