Report on Technical Symposium - OMICS 2018

The Department of Biotechnology, SVCE conducted a National level technical symposium, OMICS 2018 on 29th September 2018.

The registration of the participants was started at 8.30 am on 29th September 2018. Totally **130** external participants registered for this National Level Technical Symposium from various colleges, such as Rajalakshmi College of Engineering, Saveetha Engineering College, K.S. Rangasamy College of Technology, St. Joseph's College of Engineering, Sri Sastha Institute of Engineering and Technology, Kalasalingam Academy of Research and Education, Gurunanak College, Balaji Medical College. The inaugural function was started with a prayer song in the Biotechnology Conference Hall at 9.30 AM. Prof. E. Nakkeeran, Head of the Department of Biotechnology, Sri Venkateswara College of Engineering gave a welcome address and it was preceded by Chief Patron's address by our Honorable secretary Prof. M. Sivanandham, Sri Venkateswara Educational & Health Trust.

Ms. Sai Harshini Valluri, President, Student's Biotech Forum, introduced the chief guest, Mr. S. Muthuswamy, Director, M/s. Scigenics (India) Pvt. Ltd, Chennai for the inaugural function. The inaugural function was started with lighting the lamp and OMICS Magazine was released by the chief guest. He delivered guest lecture on "Translational Research on Biotechnology".

After the Guest lecture on morning session, the participants were served with Tea Break. After the Tea Break, the events such as Paper Presentation, Poster Presentation, Model Making, Bio-Hackathon were started at 11.00 AM and ended by 1.00 PM. After the events, the participants were served with Lunch.

After lunch the events Bio Nexus and Mission Therapeutics were started at 1.30 PM and ended by 2.30 PM.

After the completion of the Technical events, the valedictory function was started at 2.30 PM. For valedictory address, Prof. R. B. Narayanan, Dean - Co-curricular Activities, Sri Venkateswara College of Engineering was invited as the chief guest. After his valedictory address, the feedbacks from the participants were received both orally and through the forms about National Level Technical Symposium. Finally, the certificates were distributed to the

participants. Ms. Keerthana C, PG Student Advisor delivered a vote of thanks and the programme was ended by 3.15 PM.

Around 50 students were participated in providing feedback analysis for the National level technical symposium, OMICS 2018 based on the following criteria for the rating:

1: Very Good 2: Good 3: Satisfactory 4: Poor

	Average Rating
How were the events coordinated by the students?	5
How were the Technical events?	4
How OMICS helped in improving your skills?	4
Overall Assessment	4.33
