

Sri Venkateswara College of Engineering

(An Autonomous Institution, Affiliated to Anna University)

Department of Biotechnology

presents

SVCE BIOTRYST

Investing for a bioworld

24th & 25th January, 2019

About SVCE

Sri Venkateswara College of Engineering (SVCE), one of the premier technical Autonomous institutions in Tamilnadu, was established in 1985. The College is situated on the Chennai – Bengaluru National Highway (NH4) about 37 km south-west of Chennai. The college offers 10 UG programmes and 10 PG programmes. The college is accredited by NAAC and many of the eligible programs are accredited by the National Board of Accreditation.

Department of Biotechnology

Sri Venkateswara College of Engineering noted the recent growth in Modern Industrial Biotechnology. In order to support the growth in biotechnology, SVCE started the Department of Biotechnology in 2005 under the guidance of our Chairman Dr. A.C. Muthiah, a well-known Industrialist who understands the strength of Industrial Biotechnology. The Department offers B.Tech and M.Tech Biotechnology programs under Anna University, Chennai, approved by AICTE. It is also approved as a Research Center in Biotechnology for MS (by Research) and Ph.D. programs by Anna University, Chennai and Post Doctoral Fellowship by the support of SERB, Gol, New Delhi. The Department has well established laboratory facilities namely Immunology Lab, Genetic engineering, Bioprocess, Research Labs, Animal house and Computational Biotechnology Lab. The Department received grants for conducting research (1.2 Crore) and STTP, FDP, Seminar, Conference and Workshop (22 Lakh) from various funding agencies such as DBT, SERB, ICMR, CSIR, EDII & CTS.

Scope of the event

This meet will establish the robust connection between Industries and students and to promote entrepreneurship skills of the students to enhance their employability. Participation of experts from the industry in curriculum development to meet the industrial needs of the student. Joint research programmes / training programmes and field studies could be offered by industries to the students. The faculty members can meet a large number of Biotechnology companies in a single meet and 'Technology Transfer' and 'Commercialization of Bioproducts' would be discussed. At institutions level, sponsorship for R&D activities and MOU's between the institute and industries will be instigated.

Panel Discussions

- 1) Provides information and new facts
- 2) Helping to analyse problem on different angles
- 3) Preparing the listeners for the future employability
- 4) Increases the scope of employment
- 5) provides different views of analysing a problem/situation which helps in Bioentrepreneurship

SRI VENKATESWARA COLLEGE OF ENGINEERING (Autonomous)

Pennalur, Sriperumbudur Tk - 602 117

Department of Biotechnology

Presents

SVCE BIOTRYST 2019 NATIONAL BIOTECHNOLOGY SUMMIT

Panel Discussion

- Panel 1 : Navigating the Future
- Panel 2 : Discover the Opportunities
- Panel 3 : Together towards tomorrow

Only **ONLINE REGISTRATION**

REGISTRATION FEE : 1000/-

(Including Registration Kit,
Working Lunch and Refreshment)

INVESTING FOR A BIOWORLD
24th & 25th January 2019

For More Details Please Visit the Website

Poster Presentation

- Pharmaceutical Technology
- Marine Biotechnology
- Agri - Food Technology
- Environmental Biotechnology
- Cell and Enzyme Engineering
- Immunology and Stem Cell Technology
- Industrial Biotechnology
- Other Fields Related to Biotechnology

FOR
A BIOWORLD**

POSTER PRESENTATION

- * Metabolic Engineering
- * Enzymatic Cascades
- * Nutraceuticals
- * Biopharmaceuticals
- * Conventional & Non Conventional Energy
- * Agro Chemicals
- * Renewable Products
- * Waste Water Treatment
- * Bioremediation
- * Food Security
- * Biosensor
- * Genetically Modified Food
- * Harvesting and Downstream Processing
- * Algal Nanotechnology
- * Marine Derived Molecules - Biopolymers & Biomaterials
- * Marine Micro Algae for Biofuel Production
- * Pharmaceutical Analysis
- * Drug Development and Drug Engineering
- * Vaccines and Immunotherapy
- * Stem Cell Therapies
- * Advancement in Diabetics
- * Other Fields Related to Biotechnology

*Solicit your esteemed presence for the **Inaugural function** of*

BIOTRYST 2019

“Investing for a Bio-world”

A National Biotechnology Summit

24 – 25th January, 2019

Sponsored by

**M/s. Levim Biotech LLP & M/s. LifeCell International Private Limited
M/s. Manya - The Princeton Review & Janaki Scientific Company**

Chief Guest

Mr. Ar Rm ARUN

**Chairman, Valingro Group of Companies, Chennai
Chairman, FICCI-TNSC, Chennai**

Will preside over and deliver the Inaugural Address

in the presence of

Prof. M. Sivanandham, Ph.D

Professor of Biotechnology & Secretary, SVEHT

&

Prof. S. Ganesh Vaidyanathan, Ph.D

Principal, SVCE

ALL ARE WELCOME

Venue : Function Hall, SVCE

Date : 24th January 2019 (Thursday)

Time : 09:15 AM

DEPARTMENT OF BIOTECHNOLOGY
SRI VENKATESWARA COLLEGE OF ENGINEERING

REPORT ON “BIOTRYST 2019 - A NATIONAL BIOTECHNOLOGY SUMMIT”

24th -25th JANUARY, 2019

BIOTRYST 2019 - A National Biotechnology Summit sponsored by M/s. Levim Biotech LLP, M/s. LifeCell International Private Limited, M/s. Manya - The Princeton Review, M/s. Janaki Scientific Company was organized during 24th -25th January, 2019 by the Department of Biotechnology at Sri Venkateswara College of Engineering, Sriperumbudur. This event included series of panel discussions, e-poster presentation and alumni meet. 180 registered participants were actively participated in this event from SVCE and various colleges/Institutions across the country. Prof. M. Sivanandham, Prof. E. Nakkeeran and Mrs. S. Pandi Prabha organized this event.

The inaugural function was started at 9.15 am with a prayer song followed by welcome address by Prof. E. Nakkeeran, Professor and Head, Department of Biotechnology. Prof. S. Ganesh Vaidyanathan, Principal, SVCE delivered the patron’s address. Prof. M. Sivanandham, Secretary, SVEHT & Visiting Professor of Biotechnology, SVCE delivered the Chief patron’s address. Mr. Ar. Rm. Arun, Chairman, Valingro Group of Companies, Chennai & Chairman, FICCI-TNSC, Chennai delivered the inaugural address by emphasizing the importance of Industry-Institute instruction. After his speech, he inaugurated the event. Panel Discussion on “Navigating the Future” by Invited Speakers from Biotechnology Industries was held in the forenoon session. Poster Presentation & Ingenio “Enthralling Minds through Innovation” session was held in the afternoon session.

On Day 2, Panel Discussion on “Discover the Opportunities” by Invited Speakers from Biotechnology Industries was held in the forenoon session. Panel Discussion with Alumni of SVCE on “Together towards Tomorrow” and Alumni Meet was held in the afternoon.

The following industries were participated in the above panel discussion session.

- 1) Geomarine Biotechnologies
- 2) Parle Agro Private Limited
- 3) Aaranya Biosciences Private Limited
- 4) 3D Graft
- 5) Bioklone Biotech Private Limited
- 6) Quest Compbio Private Limited
- 7) Centre for Cellular And Molecular Platforms
- 8) Morulaa HealthTech
- 9) NutriParadise Foods LLP
- 10) NERD society
- 11) Malvern Panalytical, a division Spectris Technologies Private Limited
- 12) Eppendorf India Limited
- 13) LifeCell International Private Limited
- 14) SynkroMax Biotech Private Limited

The valedictory address was delivered to the participant by Prof. M. Sivanandham, Secretary, SVEHT & Visiting Professor of Biotechnology, SVCE in the afternoon. The organizing secretary, Prof. E. Nakkeeran summarized the proceedings of the event. The event was concluded by thanking all the contributors, the management and the participants by the organizing secretary. Feedback for all the sessions was obtained from the participants. On the whole the event was extremely informative and helpful, and enlightened the participants. The overall feedback provided by the participants for the workshop was more than satisfactory for their needs.

Prof. E. Nakkeeran
Organizing Secretary
