

SRI VENKATESWARA COLLEGE OF ENGINEERING
Department of Electronics and Communication Engineering

Date: 20/02/2017

Submitted to the Principal for Approval

Through HOD- EC

As a part of research activities, we propose to conduct a **National Conference on "Signal Processing, Communication and Networking" NCSPCN '17** at our college during 05-04-2017 & 06-04-2017. We have identified 4 speakers from Indian Institute of technology- Madras & CEG – Anna University for the technical talks. The targeted audience would be UG, PG students, Research scholars and Faculty from various Engineering colleges. A budget of Rs 37,500/- is estimated, the break up details are given below

BUDGET for National Conference on NCSPCN 2017

S.No	Details	Amount in INR
1.	Honorarium & Transport for the experts [4 sessions]	15,000/-
2.	Stationery and Certificates	2500/-
3.	Brochures and banners	2500/-
4.	Lunch and Snacks	5000/-
5.	Pre - conference printing	5000/-
6.	Publications of Proceedings	7500/-
7.	Projected Expenditure	37,500/-
8.	Registration Fee Per candidate	750/-
9.	Expected Revenue through Registration (Expected No. of Participants - 40)	30,000/- (750*40)
10.	External Sponsorship	5,000/-
11.	Amount Requested from College {Projected Expenditure -Registration Fee & External Sponsorship = 37500-35000}	2,500/-

We are expecting Rs.35,000/- through Registration and External sponsorship. It is requested to provide Rs.20,000/- in advance from the college for doing preliminary work and the advance amount will be returned back to College after receiving the registration amount.

We request you to kindly accept this proposal in the interest of research at our college and grant us the fund for the same. Kindly do the needful.

A Report on NCSPCN'17 organized on April 5th and 6th 2017 by the Department of ECE

ABOUT THE CONFERENCE

The National Conference on Signal Processing, Communication & Networking, NCSPCN '17, during 5th and 6th April 2017, will serve as a forum for experts from industries and institutions to share their knowledge and experience leading to synergy of technologies in Electronics, Communication Systems, Computer Networks & Digital Signal Processing. It will focus on research, development and demonstration across a broad spectrum of topics related to advanced Electronics & Communication Engineering. It will also offer an opportunity to faculty and aspiring researchers to present their research findings.

TOPICS OF CONFERENCE

The following areas form the broader scope of the conference which shall include but not limited to the topics listed as under and can be extended based on the creativity of the authors.

- Ad hoc & Sensor Networks
- Bio-Medical Signal Processing
- Channel Modeling, Coding & Measurements
- Cognitive Radio & Dynamic Spectrum Management
- DSP Algorithms & Applications
- Electronic Systems
- Microwave (Antenna/Measurements/EMI/EMC)
- MIMO Systems
- Networking & Communication Engineering
- Optical Network Protocols
- Security in Communication & Networking
- Signal, Image Processing & Machine Learning
- Soft Computing

ABOUT THE COLLEGE

Sri Venkateswara College of Engineering (SVCE), a premier self-financing engineering college was started in the year 1985 and is managed by Sri Venkateswara Educational and Health Trust. The main objective of this institution is to impart knowledge to undergraduate, post graduate and research students. The College offers 10 BE / B.Tech Degree Courses, 10 PG Courses in Engineering, 11 research centers approved by Anna University cater to MS(by Research) and Ph.D programmes. The courses are approved by AICTE and affiliated to Anna University, Chennai, The college attained autonomous status in 2016.

The college is accredited by National Assessment and Accreditation Council (NAAC). The college is also certified by IRQS for ISO 9001-2008. The college is situated in serene environment about 37 Kms from Chennai and situated on the way of Chennai – Bangalore National Highway (NH4) at Pennalur, Sriperumbudur, in Kanchipuram district. The campus is Wi-Fi enabled.

ABOUT THE DEPARTMENT

The Department of ECE was started in the year 1988. The post graduate program (M.E) in Communication Systems was started in 2002 and Applied Electronics in 2012. There are about 44 faculty members in the department and 7 of them are doctorates. The department is well equipped with lab facilities and software tools like IE3D, ADS, Lab View, Tanner Tools, MATLAB. The UG programme in the department has been accredited by the NBA.

SRI VENKATESWARA COLLEGE OF ENGINEERING

Department of Electronics and Communication Engineering

National Conference on "Signal Processing, Communication and Networking"

PROGRAMME AGENDA : 5th April 2017 - DAY 1

Inauguration of the event	8.30 - 9.00 hrs	Registration
	9.00 - 9.05 hrs	Prayer Song
	9.05 - 9.15 hrs	Welcome Address by Dr.S.Muthukumar, HoD-ECE, SVCE NCSPCN '17 - Brief Address by Dr.G.A.Sathish Kumar, Prof., ECE, SVCE
	09.15 - 09.20 hrs	NCSPCN '17 Proceedings release by HOD-EC and Chief Guest
Session - I "Design Methodologies for Next Generation Custom Accelerators: High-Level Synthesis for System-level Solutions"	9.20 - 10.20 hrs	Inaugural and Key Note address by Dr.Swathi Tanjore Gurumani, Visiting Faculty, IITDM.
10.20 - 10.30 hrs		Tea Break
Session - I Paper Presentation	10.30 - 12.15 hrs	VLSI
12.15 - 1:00 hrs		LUNCH BREAK
Session - III "Image security"	1:00 - 2:00 hrs	Key Note address by Dr.V.Masilamani, Assistant professor, CSE, IITDM
Session - II Paper Presentation	2:00 - 3:15 hrs	Communication & Networking

PROGRAMME AGENDA : 6th April 2017 - DAY 2

Session - III "Underwater Vehicles"	9.00 - 10.30 hrs	Key Note address by Tata Sudhakar, Scientist, NIOT
10.00 - 10:15 hrs		Tea Break
Session - III Paper Presentation	10:15 - 12:15 hrs	Signal Processing
12:15 - 1:15 hrs		LUNCH BREAK
Session - IV Paper Presentation	1:15 - 2:30 hrs	Electronics, RF & Microwave
Valedictory session	2:30 - 2:45 hrs	Feedback from Participants
	2:45 - 3:00 hrs	Valedictory Address and Certificate Distribution
	3:00 - 3:05 hrs	National Anthem

Coordinators

Dr. G.A.Sathish Kumar

Ms. T.J. Jayaprabha

Department of ECE organized, A Two Day National Conference on “Signal Processing, Communication and Networking” NCSPCN‘17 on April 5th and 6th 2017.

The event was coordinated by Dr.G.A.Sathish Kumar, Professor and Ms.T.J.Jeyaprabha, Assistant Professor. The event was well organized by the members of the team Ms.D.Menaka, Ms.K.Srividhya, Ms.S.Kalyani, Ms.R.Kousalya, Ms.L.Anju, Ms.B.Sarala, Mr.M.K.Varadarajan, Ms.S.M.Mehzabeen and Ms.S.Reethi, Assistant Professors, Department of ECE.

The Conference was started with a prayer song and Welcome address by our beloved HOD-EC, **Dr.S.Muthukumar**. The Conference theme address was given by **Dr.G.A.Sathish Kumar**, Professor, Department of Electronics and Communication Engineering. The Conference was inaugurated with lightening of **Kuthu-Vilakku, Conference Proceeding release** by respected chief guest **Dr.Swathi Gurumani**, Asst. Prof., Department of Electronics, IITDM, Dr.G.A.Sathish Kumar, Professor, Dr.S.Muthukumar, Professor & HOD-EC, Ms.T.J.Jeyaprabha and Ms.B.Sarala, Assistant Professors, Department of Electronics and Communication Engineering.

Day 1: The Inaugural Key note address was given by **Dr.Swathi Gurumani**, on the topic: *“Design Methodologies for Next Generation Custom Accelerators: High-Level Synthesis for System-level Solutions”* in which he discussed about FPGA and custom IC design.

The inaugural address was continued by paper presentation. The session-I was in the field of VLSI and was judged by Dr.R.Anitha, HOD, Department of Information Technology and Dr.S.Malathi, Associate Professor, Department of ECE.

Next Key note talk was delivered by **Dr Masilamani V**, Assistant Professor, Department of Computer Science and Engineering, IIITDM, Kancheepuram, on the topic “*Image Security*”, in which he discussed about the recent research issues in Image Processing & Security.

The paper presentation Session-II was on the field of Communication & Networking and was judged by Dr.G.Sumathi, Professor and Head-IMS, Dr.P.Jothilakshmi, Professor and Ms.G.Padmavathi, Professor, Department of ECE.

In day 2 Key note address was given by **Mr.Tata Sudhakar, Scientist, NIOT** on the topic “*Underwater Vehicles*” in which he discussed about the research on underwater survey missions such as detecting and mapping submerged wrecks, rocks.

The paper presentation Session-II was in the field of Signal Processing and was judged by Dr.N.Kumaratharan, Professor, Department of Information Technology and Dr.R.Gayathri, Associate Professor, Department of Electronics and Communication Engineering.

The paper presentation Session-IV was in the field of Electronics & RF and was judged by Dr.N.K.Mohanty, Professor, Department of Electrical and Electronics Engineering and Dr.H.Umma Habiba, Professor, Department of Electronics and Communication Engineering.

The Valedictory Address was given by Dr.K.R.Santha, Vice Principal & HOD, Department of Electrical and Electronics Engineering, followed by Certificate distribution to the participants by our Vice Principal.

Finally, the conference was concluded with the Vote of Thanks by Dr.G.A.Sathish Kumar, Professor, Department of ECE.

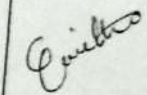

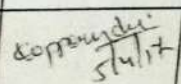

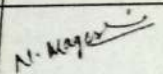

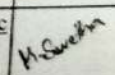

The event was successfully completed with our National Anthem. We like to thank all student volunteers from PG-CS, PG-AE, UG and supporting faculty.

We would like to thank **CSI** and **Ohmtronix** for sponsoring our Conference. All the papers presented in the Conference was selected for publication in the International Journal on Innovative Research in Computer and Communication Engineering **IJIRCCE**.
