25th January 2019

A REPORT

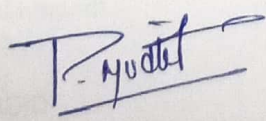

A one day Workshop on "Instrumentation for RF Measurement", was conducted by the Department of Electronics and Communication Engineering, on 25.01.2019

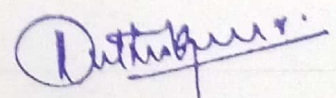

The resource person, Mr.A.Senthil Kumar, Director, Eaglesight Measurement Technologies Pvt Ltd. ,believes in knowledge sharing and was very happy to come over to our campus to handle lecture as well as demonstration session to our UG/PG students, Research Scholars and Faculty members.

He started with the basics of RF Instrumentation explaining the importance of Network Analyzer and Vector Signal Analyzer in measurements. He continued with live demonstration of options, tools and analysis method in Network Analyzer and Vector Signal Analyzer

He elaborated on calibration aspects and varied fine aspects of processing measurements which audience found very useful.

The workshop proved a very efficient learning platform and was a grand success.
