

## Important Dates

Last date for registration

**12.02.2019**

Event:

**13.02.2019**

SRI VENKATESWARA  
COLLEGE OF ENGINEERING

An Event Organised  
by

Student Branch - SVCE

# CIRCUITRIX 19

## EVENT :

### Round 1

Pen and paper test  
& a technical verbal  
test. Teams qualifying  
both will be promoted to  
final round

### Final Round :

Its a problem based circuit  
analysis round. Qualified teams  
must be able to understand  
the given problem and design  
circuit using given components.  
Time and efficient circuit  
design will be considered.

## Eligibility :

All students pursuing  
B.E. in an  
AICTE - affiliated college.

**CASH PRIZES  
WORTH ₹ 5000**

**TO REGISTER**

## RULES ;

Teams must have 2 members only.  
Only the teams qualifying first round will  
be allowed to participate in final round.

## Registration :

₹250(per team) for IEEE members  
₹300(per team) for other students

## Report on Circuitrix 19

The IEEE Student Branch SVCE under IEEE Madras Section organized “CIRCUITRIX19” an inter college competition based on circuit design on 13/2/2019. Around 72 teams (two students in a team) participated from various colleges and from SVCE. The competition comprises of two rounds, a qualifying preliminary round and a final round. The preliminary round consists of a pen and paper test and a technical debate. Around 17 teams qualified in both the tests and were promoted to the final round. The final round is a problem-based circuit analysis and design round. Time and efficient circuit design was awarded the cash Prize.

- Mr.Piyush M and Mr. Keshav E of second year EC, SVCE was awarded 1st prize.
- Mr Nithish V and Mr Sakthinathan K, of Third year EC, SVCE was awarded 2nd prize.
- Mr S.Vetri and Mr G.Venkatesan, Third year EC from Arignar Anna Institute of Science and Technology and Mr Saai Ghanesh P and Mr Rishikesh S of second year EC, SVCE shared the Third Prize.
