

# Sri Venkateswara College Of Engineering

Autonomous – Affiliated to Anna University  
Pennalur, Sriperumbudur-602117

## Department of Electronics and Communication Engineering

organizes a webinar on

# *Curriculum To Career - CTC*

**Resource Person:**

Mr. P.Ragavan  
Deputy Engineer  
Bharat Electronics Limited

**Convenor:**

Dr. S. Muthukumar  
Prof & Head, ECE.

**Coordinators:**

P Arul  
P Muthukumaran  
G Loganathan

**14th June, Sunday  
11:00am**

**Registration Link:** <https://forms.gle/N36kdxBvH1GCSih18>  
FCFS, Event participation link will be shared with shortlisted candidates only.

**Targeted Audience :** Pre-Final year UG engineering students.

## Report on Webinar Conducted

**Title:** One day webinar on “Curriculum to Career – CTC “

**Date:** 14/06/2020

**Preamble:**

A one day webinar on “Curriculum To Career” has been organized on 14/06/2020, by Sri Venkateswara College of Engineering, Sriperumbudur in order to motivate and encourage the students for the next level of their career. The workshop has been sponsored by “Institution’s Innovation Council “(IIC), MHRD – Government of India.

**Participant’s Profile:**

A total of 73 delegate students and faculty members from Sri Venkateswara College of Engineering were participated.

**Description about the program:**

The resource person for this webinar is our Alumni Mr.P.Ragavan, Deputy Engineer, Bharat Electronics Limited, Chennai, spoke on the core topics which are to be concentrated during their placement activities and also for their competitive exams across India.

Mr.Ragavan, mainly discussed on how the signals are being processed in today’s technology in various communication industries and the importance of real time control system applications using cloth- dryer with sensors. He also briefed the fundamentals of real time embedded systems, analog and digital electronics and the importance of 8051 microprocessor and controller.

The entire program was co-ordinated by the Head of the department, department of ECE and the placement team, department of ECE for boosting the confidence of students and how to prepare for the placement activities.

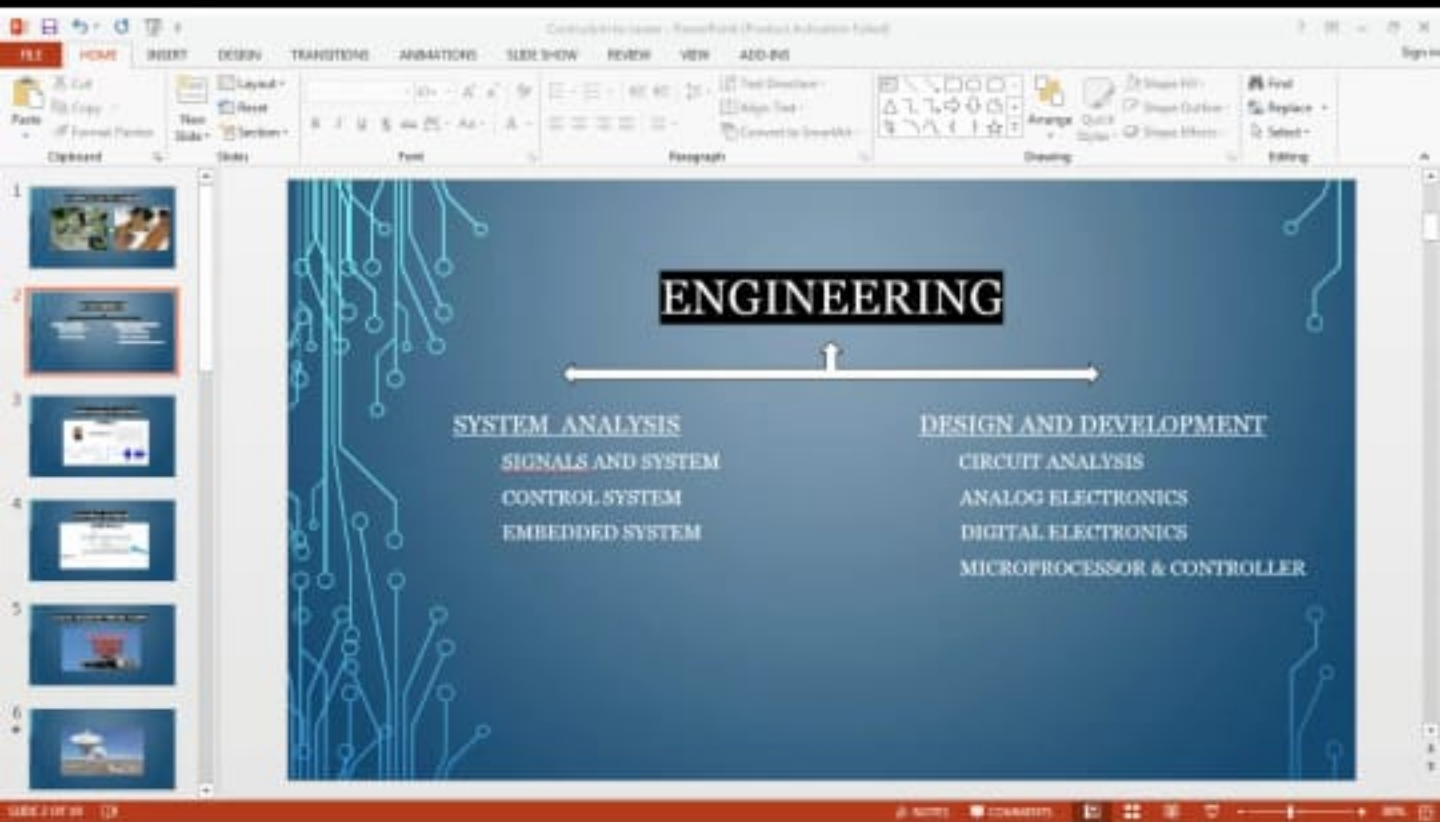

**Feedback:**

All the participated students and faculty members expressed their gratitude to the department of ECE, Sri Venkateswara College of Engineering for organizing this event. A total of 56 students and one faculty members were submitted their online feedback form.

**Future Perspective:**

The department of ECE with its placement team looking forward to organize future webinars and seminars on “curriculum to career” to lift the confidence level of students at the time of core placement activities.
