Dear Faculty / ISF Coordinator Members

IETE Chennai Center is conducting a Webinar series on "Exploring IETE: "Recent Trends In Optical Communication Systems", with the collaboration of the Student Forums from Jeppiaar Institute of Technology, Panimalar Institute of Technology, Sri Venkateswara College of Engineering, Easwari Engineering College, VelTech Multi Tech Dr RR SR Engineering College, SRM Institute of Science and Technology - Vadapalani.

This webinar series is to take a step towards exploring the opportunities in IETE Student Forum.

Topic : **Recent Trends In Optical Communication Systems**  
Date : **08<sup>th</sup> August 2020**  
Timings : **4.00 p.m. to 5.00 p.m.**  
Speaker : **Shri A Sadagopan**  
Asst General Manager (Retd), BSNL, Chennai

Kindly registered your name in the Webinar Link : <https://bit.ly/31nukKD>

With regards,

Dr N Venkatewaran  
Chairman  
IETE Chennai Centre

**E-certificates will be provided for Active Participants**

**Shri A.Sadagopan**  
Assistant General Manager  
(Retired),BSNL  
Chennai

Shri A. Sadagopan started by speaking about Recent Trends in optical Communication. He went on to give a pictorial representation of the Optical Communication. This webinar focused on the Recent Trends in Optical Communication. An Optical communication is any type of communication in which light is used to carry the signal to the remote end, instead of electrical current. Optical communication relies on optical fibers to carry signals to their destinations. A modulator/demodulator, a transmitter/receiver, a light signal and a transparent channel are the building blocks of the optical communications system.

Because of its numerous advantages over electrical transmission, optical fibers have largely

replaced copper wire communications in core networks in the developed world.. He then talked about the Trends in Optical Communication.

The presentation concluded with a Q&A session. Mr.Ragul Kannan R, Chairman JIT- ISF gave the Vote of Thanks. More than 50 plus participants attended the webinar. Faculty and students of five colleges namely, Jeppiaar Institute of Technology, Sri Venkateswara College of Engineering, Panimalar Institute of Technology, Easwari Engineering College, and Veltech Multitech Engineering College attended the webinar. E-certificates were given to all active participants. The profile of the speaker is presented below.

Sri A.Sadagopan had joined the Department of Telecommunications in the year 1967 and worked for 42 years . As Junior Engineer, he was actively involved in the installation and maintenance of Pentaconta Crossbar Telephone Exchanges in Mumbai , maintenance of several types of Transmission systems and mediums. As Sub Divisional Engineer, he was one of the responsible person in the setting up of National Internet Backbone in Tamilnadu Telecom Circle by Department of Telecommunications. He has also served as Assistant General Manager –Enterprise Business taking care of the implementation of various types of Telecom networks for big corporate and enterprises and Government agencies. He was a responsible person in the installation of Wide Area Network for United India Insurance Corporation across the country and had given lecture in this subject at their Regional Office in Bhopal in which all the technical staff across the country had participated.
