Program Date & Time: **29.08.2020 (10.00 AM to 11.00 AM)**

### Key Takeaways:

- Bridging the Gap of College to Corporate :  
Academic learning and real world Matching
- Open source exploitation for Upskilling
- Interview preparation & resume build up to appease the recruiters
- Alleviating Procrastination
- Some 2 way discussion on Industrial Computer Networks

## Report on Webinar Conducted

**Title:** One day webinar on “College To Corporate – CTC “

**Date:** 29/08/2020

### **Preamble:**

A one day webinar on “College To Corporate - CTC ” has been organized on 29/08/2020, by Sri Venkateswara College of Engineering, Sriperumbudur in order to motivate and encourage the students for the next level of their career. The workshop has been sponsored by “Institution’s Innovation Council “(IIC), MHRD – Government of India.

### **Participant’s Profile:**

A total of 108 delegate students and faculty members from Sri Venkateswara College of Engineering and other colleges were participated.

### **Description about the program:**

The program started with the welcome note by Hod-ECE, Dr.S. Muthukumar.

The resource person for this webinar is our Alumni Mr.Rukmangathan. KPA, Software Engineer, Gigamon Solutions Pvt Ltd, Chennai, spoke on the core topics which are to be concentrated during their placement activities and also for their competitive exams across India.

Mr.Rukmangathan ,mainly discussed on the industrial Computer networking and how the academic theory stuffs influencing the industrial market. He also spoke about ethical hacking he is passionate about and the HTTP protocol. To incline towards the title of the webinar, the speaker spend his most of the timings in the topics like:

- Bridging the gap between college and corporate,
- Theory Vs Execution, in which he stressed upon the importance of hands on practise at college
- Know where you are, in which he suggested students to fix the goal based on their subject of interest to pursue as passion.
- Open source contribution and exploitation to excel in keeping updated.
- Resume build up, in which he emphasized on how to prepare the resume to appease the recruiters.

Finally he concluded with sharing his own experience during the campus placement and briefed the process in campus placements and how to be equipped to crack it.

The entire program was co-ordinated by the Head of the department, department of ECE and the placement team, department of ECE for boosting the confidence of students and how to prepare for the placement activities.

### **Feedback:**

All the participated students and faculty members expressed their gratitude to the department of ECE, Sri Venkateswara College of Engineering for organizing this event. A total of 48 students submitted their online feedback form.

### **Future Perspective:**

The department of ECE with its placement team looking forward to organize future webinars and seminars on “College To Corporate -CTC” to lift the confidence level of students at the time of core placement activities.

D. Srinivas

**Overall feedback of the session (Be elaborate)**

Nice

It really helped me. Thanks a lot for organizing

It was good. I got an idea on resume.

Very informative

It's awesome

helpful session

Overall session is good and we gained a lot of knowledge

It was useful

Today's session was very nice and useful to me

Very informative. Thank you sir for your kind information.

It was good and covered overall topics in it.

Good information

Very interesting session. Got insights in various things and boosted up the confidence level.

Thanks for holding this session.

Good webinar session by our passed out senior.

GOOD SESSION

The session is very informative especially about the placement topics it really boost the confidence level

Good and well explained

Got an elaborate idea on how to prepare resumes and how an interview process takes place and how can we prepare ourselves to get a job.

It was a very useful session and it has given me a rough idea of how to start preparing for placements if I choose to get a job

Very useful session

It is very informative sir, I gained more knowledge from this webinar.

Good

Excellent session. I really got an idea of how to approach mock interview as well as actual interview

Good

Its well and good

The session was really useful and i was really benefitted

It was a nice session with a lot of information.thank you

Good

It is very useful session for placement purpose. I got to know more things about placement.

The session was very good and very useful.

The session provided an overall idea for preparing for placements and a detailed knowledge about companies.

It was very helpful

Good session

Through this webinar i got some idea about the interview perspective. overall its very nice .

Was very helpful in the guiding process for preparing the interviews

Good information
