**DAY 01:**

**EVENT 01 - TECH ABSTRACTION:**

Tech Abstraction was held on 30/01/2021 (Saturday) from 9:00 AM to 10:30 AM. The participants had to explain a complex technical topic in simpler vocabulary that is intelligible to the audience. The judges for the event were Mr.P.Arul, Assistant professor, Dept. of Electronics and communication engineering, SVCE ; Ms.K.Ashwini, Assistant professor, Dept. of Electronics and communication engineering, SVCE and Dr.S.Sutha, Assistant professor, Dept. of Electronics and communication engineering, SVCE.

The technical domains given to the participants were Microprocessor and microcontrollers, Computer machines, neural networks and Quantum computing. The topics ranged from pipe lining, parallel computing, CNN (Convolutional Neural Networks), perceptron, superposition in quantum computing etc.

The participants were judged on the basis of the understanding of the topic, creativity, clarity of speech and time management. 30+ students actively registered for the event.

**EVENT 02 - TALES FROM THE TECH WORLD:**

Tales from the Tech World was held on 30/01/2021 (Saturday) from 1:00 PM to 2:30 PM. The participants had to narrate a story or an incident in a vibrant manner with lots of factual essence of various scientists and their inventions. The judges for the event were Ms.L.Anju, Assistant professor, Dept. of Electronics and communication engineering, SVCE ; Mr.K.Venkatesh, Assistant professor, Dept. of Electronics and communication engineering, SVCE and Ms.K.S.Subhashini, Assistant professor, Dept. of Electronics and communication engineering, SVCE.

The topic given to the students included scientists along with their inventions such as Nicola Tesla and AC Current, Schrodinger's Cat and Thomas Edison and DC Current.

The participants were judged on the basis of the contents of the story, facts and fluency, creativity, clarity of speech and time management. 30+ students actively registered for the event.
