Dear all

I am happy to invite you all for a Short term training program on "Virtual Labs" from 2-6 November 2020 as per the Agenda below.

Nov 2, 2020 Mon	Introduction to Virtual Labs Objectives of the Mission Navigating the portal Using VLabs for classrooms
Nov 4, 2020 Wed	Syllabus Mapping between Courses and Experiments in VLAB Experiment Demonstrations Experiment Allotment
Nov 6, 2020 Fri	Practice sessions Demonstrations by participants Q & A session

The event will be held on these days starting from 12 Noon. Kindly logon to the sessions 10 min prior to the start of the event.

The event is conducted on Google meet platform

Meeting ID
meet.google.com/zmx-gprn-egi

The faculty members are requested to invite atleast one student to take part in the event.

Kindly participate and get benefitted.
Kindly contact me for any clarifications.

Thank you.

Regards
K.Srividhya
Event co-ordinator

SHORT TERM TRAINING PROGRAM ON VIRTUAL LABS

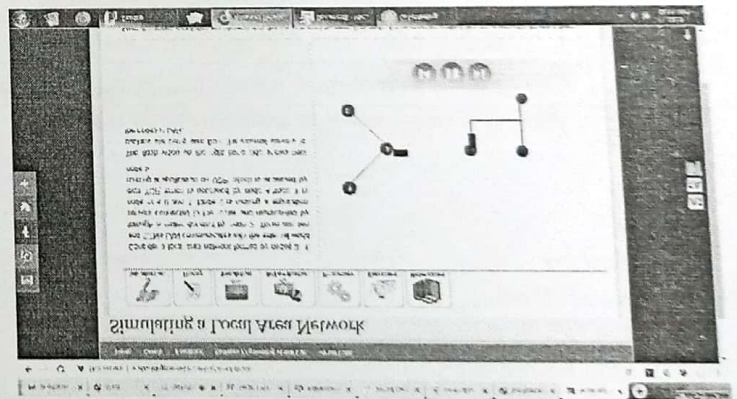

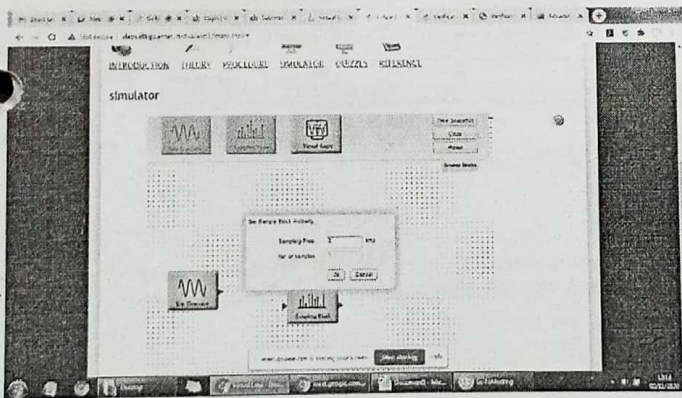

06/11/2020

A Short Term Training Program on Virtual Labs was planned from Nov 2-6,2020.

The event started with the introduction on Virtual Labs,how to access virtual lab under various IITs,navigation through the portal and the list of experiments under each lab.Few experiments under certain basic labs were executed and demonstrated to participants.

Syllabus mapping of labs under different semesters were studied and discussed.The usage and applicability of labs also studied. Participants were given much exposure and practice sessions done. Experiments were allotted to participants to work upon and demonstrate to all others too.Many experiments were likewise covered under the event.

Around 35 participants inclusive of faculty,lab supportive staff and students benefitted out of this event.

Overall the program was a grand success.
