REPORT ON MAKE-A-THON 3.0

ELECTRONICS AND COMMUNICATION ENGINEERS ASSOCIATION,
THE INSTITUTION OF ELECTRONICS AND TELECOMMUNICATION ENGINEERS STUDENTS' FORUM - SVCE,
ROBOTICS AND ARTIFICIAL INTELLIGENCE CLUB

The Make-a-thon 3.0 was organized by the Electronics and Communication Engineers Association (ECEA) in association with Institution of Electronics and Telecommunication Engineers Student Forum of SVCE (ISF SVCE) and Robotics and Artificial Intelligence Club (RAIC). The event was open for the second, third and final year students of Sri Venkateswara College of Engineering. The Make-a-thon 3.0 challenged students to think out-of-the-box and offer innovative ideas to build smart applications which will help address major real time problems in our country. A total of 35 teams (104 students) registered for the event, out of which 22 teams (65 students) were shortlisted based on the abstract submitted.

Respected Sir,

      The Make-a-Thon conducted by the ECE Association, IETE-SF SVCE and RAIC will require a few basic amenities from the college's side.
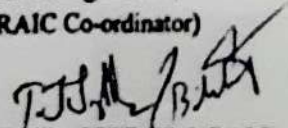

The following include:

1) Placement Cell as the venue for the event, 3 GD rooms for the male and female faculties.

2) Access to the Wi-Fi and LAN services for the participants.

3) Access to the hostel facilities for refreshment purposes (if required) for a few participants.

4) Provision of ODs to all participants for Friday (25th March) and Saturday (26th March).
      After the successful events of Make-A-Thon (1.0 & 2.0), attendees have come away having gained a greater degree of knowledge about a topic or a deeper understanding of an issue. They have heard entirely new concepts about an existing subject or have been introduced to something completely new. We therefore request you to kindly grant permission to conduct the same thus making the students industry ready.
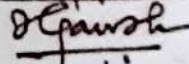

Ms. T J Jeyaprabha.

REPORT:

Make-a-thon 3.0 was a 24-Hour event which challenged students to offer innovative solutions in the form simulations and prototypes which will help address crucial real time problems in our country and around the world. The event happened for 24 hours from 25th March 10AM to 26th March 2022 10 AM at the Placement Cell, SVCE. The event witnessed a participation of a total of 22 teams. The developers had to build products that would impact and shape the future.

SNAPSHOT OF THE TEAMS SELECTED FOR THE FINAL

The event commenced with a prayer song by Ms. Shruthi Sreedhar, III Year ECE Student, followed by a welcome address by Ms.T.J. Jeyaprabha, Associate Professor, Department of ECE. Mr. Gokul Rajan, Treasurer of ECEA gave a short note and introduced the chief guest for the day. The chief guest addressed the crowd and spoke about the importance of having a vision and prompted them to think and build products which would benefit the society. Dr.S.Muthukumar, Head of the Department, ECE addressed the crowd and appreciated all the participants and organisers for their fervent efforts. Ms. R.Kousalya, Assistant Professor, Department of ECE explained the rules and the scoring rubric to the participants. The Make-a-thon 3.0 began at 10.00 AM shortly after the inauguration.

The inaugural function was presided over by the honourable Chief Guest Mr. Maurya Vijayaramachandran, alumnus of SVCE who is currently pursuing his PhD at FAU Erlangen, Germany

SNAPSHOTS OF DAY 1 OF THE EVENT

About the Chief Guest:

Mr. Maurya Vijayaramachandran, an alumnus of SVCE was the chief guest for the event. He is currently pursuing his Integrated Masters and PhD course in AI at FAU Erlangen, Germany. He was the founding member of FoDSE – a club dedicated towards AI and Machine Learning in the college. He was also the former Chairman of the IETE Student Forum at SVCE and has coordinated and conducted many successful events during his tenure. He has also published 10 + papers in various reputed international journals and also acquired two patents.

Details about the event:

Commencement	March 25th 2021 (10.00 AM IST)
End	March 26th 2021 (10.00 AM IST)
Total Teams	22 Teams
Total Participants	65
Team Size	3 Members
Venue	Placement Cell
Registration End	March 20th 2021 (10.00 IST)

THE EVENT:

The event commenced at 10.00 AM on 25th March (Friday). The participants were given a few minutes to pitch their ideas, themes, and technologies they would be using. The innovations of the teams spanned across a variety of themes such as smart communication, rural development, pandemic safety, healthcare, cyber security, IoT and many more. A total of 22 teams were shortlisted based on their statement of interest regarding the Make-a-thon and their chosen domain.

The students were given the liberty to choose their own problem statements for the event. The preliminary selection was done by student mentors Mr. Prassanna Rangan, I Year M. E, and Mr M. Kishore, III Year ECE based on creativity, originality and feasibility. A plethora of problem statements were chosen ranging from the following:

1. Smart Communication

2. Health care

3. Rural development

4. Smart vehicles

5. Smart homes

6. Microplastic detection

7. Robotics

8. Cyber Security

9. IoT

10. Disease Awareness

11. Pandemic Safety

12. AI/ML/DL for human development

13. Gaming development

During the entire organizing of the event, the executive members of ECE Association, IETE – SF and RAIC periodically checked upon all the teams and the progress of their model to ensure and provide if any help was needed. The 22 teams pushed themselves into innovating new models and solutions for their problem statements. Food and refreshments were also provided for the participants. The event had two round of judging and ended at 10:00 AM on 26th March 2022 (Saturday).

The judging began soon after. All the teams were segregated to accommodate the judges who were industrial professionals and professors. Each team was given a time slot during which they had to explain the problem statement and their solution along with a working model followed by an inquisitive Q&A session by the judges.

ABOUT THE JUDGES:

The Make-a-thon consisted of two rounds of judging. The first round of judging began at 9:00 PM on 25th March 2022. The teams were segregated into three different panels. The faculty judges present for the three rounds of judging were Dr.T. Annamalai, Assistant Professor, Department of EEE; Dr.B. Ashvanth, Assistant Professor, Department of ECE; Mr.P.Arul, Assistant Professor, Department of ECE; Ms.T.J.Jeyaprabha, Associate Professor, Department of ECE; Ms.R.Kousalya, Assistant Professor, Department of ECE; Ms.A.Indhumathi, Assistant Professor, Department of IT; Ms.B.Sarala, Assistant Professor, Department of ECE. The judges of the preliminary phase examined the work of the participants and made sure their work is abided by the rules and regulations of the event and noted down the progress and also gave suggestions for improvement.

The second round of judging began shortly after the event was over. There were six judges present for the second round of judging on 26th March 2022 at 10.30 AM to evaluate the performance of the participants. The judges were content with the models and solutions presented and raised questions and comments for

ement of the solutions. The solutions were in the form of coding, video demonstration and presentation. judges were Mr. Rakesh Elamaran, Product Security Analyst, Temenos India Pvt Ltd.; Mr. Keshav E, oftware Engineer; Mr. Prem Raj S, Junior Analyst, Cognizant; Mr. Sudesh Kumar S, Machine Learning & Robotics Engineer, Red Mind Technologies; Mr. Santhosh S, PAT, ADM-CE Delivery, Cognizant Technology Solutions; Mr. Lokesh S, Software Developer. All the judges were encouraging and supportive to the participants and appreciated the organizing team for their efforts.

The prize distribution ceremony was graced by the presence of the Vice Principal of SVCE, Dr.K.R.Shantha She addressed the crowd and congratulated the participants for their enthusiasm. The cash prizes and certificates to all the winners were awarded by Dr. K.R.Shantha & Dr.S Muthukumar. Ms. T.J. Jeyaprabha, Associate professor, Department of ECE awarded the participation certificates.
