The Seventh event of ECE Alumni association for the academic year 2021-22 was held via google meet platform on 09th July 2022. A webinar on '**Embracing Failures**' was organized. The coordinators, office bearers and all other gatherers were honored by the presence of the chief guest, Mr. Karuppiyah Vishal Swaminathan (ECE-Alumni Batch 2013-17, SVCE and Quality Assurance Engineer at Amazon).

Speaker's Profile:

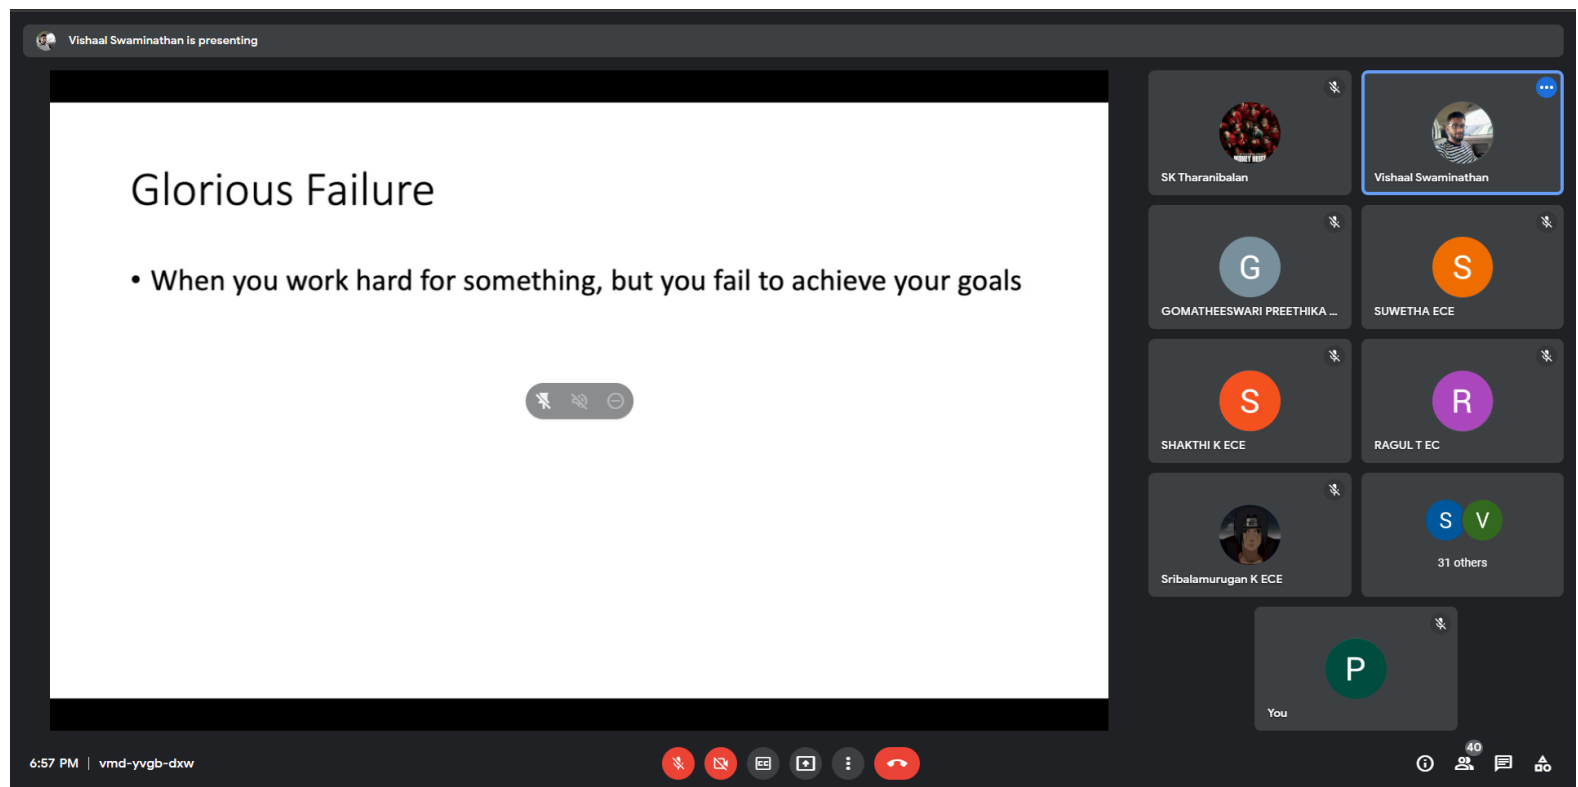

Mr. Karuppiyah Vishaal Swaminathan ECE Alumnus Batch 2013-17. During his college days, He did an intern as a test development engineer at ams Semiconductors where he worked on Automated test equipment and tested Ic's. He used pattern debugging techniques to generate digital patterns and test Ic's using generated patterns. Adding to that he worked as a Quality Assurance Engineer Intern at Amazon on a variety of Amazon products like Kindle, Kindle Oasis, Kindle Voyage, FireTvstick, and Amazon Echo.

Thereafter, He Worked as a graduate trainee in SAP at AstraZeneca. Currently, he is working as a Quality Assurance Engineer at Amazon since 2019 and has worked on a lot of high-priority and numerous critical bugs that have improved the quality of amazon devices by a large margin.

He was leading the Wi-Fi testing efforts for Alexa Based devices like Amazon Echo 4th Generation, Amazon Echo Show 5, Echo Show 8, etc., Was also driving many Wi-Fi features in Amazon devices. He received the All India Council for technical education tuition fee waiver scheme scholarship during his academic days. He also published a paper on "**A COMPACT CIRCULAR CO-RADIATOR MIMO ANTENNA**" in the International Journal of Engineering Research and Technology.

The event began with the welcoming address given by Aiswarya S (Executive member, Alumni Association, SVCE), followed by chief guest intro given by Tharani Balan, (Secretary, ECE Alumni Association, SVCE). The session was thus started by the chief guest.

He gave a brief introduction about his failures and how he had overcome them to become a successful person in life. He also mentioned that indeed failures are the stepping to success and that was what happened in his life. He then took the students through the agenda of the session.

It was then followed by listing the types of failures and explaining in detail about them like why they are caused, how they can be tackled.

Vishaal Swaminathan is presenting

The importance of persistence

A verse to remember from "Say not the Struggle nought Availeth":
"For while the tired waves, vainly breaking,
Seem here no painful inch to gain,
Far back, through creeks and inlets making,
Comes silent, flooding in, the main."
- Arthur Hugh Clough
