SPEAKER'S PROFILE

Mr.Keshav E has completed his bachelor's degree in Electronics and Communication Engineering at SVCE at 2021 . He is an overall 2nd rank holder in our department. He is skilled and well versed in multiple programming languages which includes Python, Robotics, etc and also in teamwork and management. His experience at Multicore ware Inc is at its best. His contribution to Multicore ware as a project intern and a software engineer stretches for around a year and he's also been a hardware intern at the INESH smart energy Pvt Ltd for a month. He has won best internship project award at Multicoreware in May 2021. Currently he is working on x265 video codec used in Amazon prime .He's also been volunteering as an education mentor at Robotics and AI club, health volunteer at AIESEC and as an education president at IEEE. He has also certified in kaizen Robotics lab level 1 and 2 and IOT workshop conducted by the LEMA labs.

MAIN EVENT

The event began with Vishnu Priya V T ,(Treasurer, Alumni Association, SVCE) extending her warmest welcome to one and all present and addressed our chief guest for his valuable presence , Followed by prayer song sung by Aishwarya Srinivasan (Joint Secretary,Alumni Association ,SVCE)

Then the event proceeded with Sasrika U, Executive Member (ECE Alumni Association) welcoming our chief guest and thus marking the start of the event.

The guest started the session by sharing many of his nostalgic memories when he studied in SVCE and then proceeded with the agenda of the seminar.

He pointed out the technological advancement that we have went through, as to how technology in the High Speed networking was back then and modern technology that we possess now. He introduced many technical terms , modern computing accessories and its working to enlighten everyone with process of how much enormous backhand work is involved behind a very simple task to be perfomed in internet .He also explained about the steady growth in this field and upcoming networking trends which looks really promising for students who are about to enter this line of stream.

After a detailed explaination of the agenda, speech came to an end with an interactive Q/A session between chief guest and audience where they clarified their doubts and Finally, a token of memento was handed out to our chief guest by Mrs. D. MENAKA & Mrs. C. Gomatheeswari Preethika
