Report on Soft Skill development training program for First year students 2017-2021 Batch

Preamble:

Soft skills enhancement plays an important role in increasing the chances of placement of students in various companies. In order to highlight the importance of soft skills to first year students and to imbibe the concepts required for solving aptitude test problems, a training program was organized. The training program is very much essential for participants to understand the requirements for clearing aptitude test and practice the problem solving skills.

Participant Profile:

A total of 913 students from first year of all branches except marine engineering attended the program and got benefitted. The training program was compulsory for all first year students except marine engineering.

Description about the program:

Schedule:

Date: 20.10.2017, 21.10.2017, 27.10.2017, 28.10.2017

Timings: 8:30 AM to 3:30 PM

Number of participants: 913 First year students

Each module pertaining to the Soft Skills Training Program was covered in depth by experienced faculties from M/s Spring Boards. The training program focussed on verbal, quantitative, analytical and logical reasoning to facilitate the preparation for Aptitude Tests, Group Discussion, technical interviews and HR interviews.

Feedback:

All the participants expressed their gratitude to the placement office, SVCE for conducting such program to enhance their soft skills which would enable them to clear aptitude tests and perform well in group discussions.
