total of 557 students participated in this program. This soft skill program had improved the verbal,

quantitative, analytical, logical and reasoning skills of the students and had helped them to perform the

best in interview. This program was organized by M/S Springboard (Unit of Valingro Private limited).

Through this soft skill employability training Basic Competency Skills: reading, writing,

computation, Communication Skill: speaking, listening, Adaptability Skills: problem-solving, creative

thinking, Developmental Skills: self-esteem, motivation, goal-setting, career planning, Group

Effectiveness Skills: interpersonal skills, teamwork, negotiation and 2 Influencing Skills: understanding

organizational culture, sharing leadership got improved. If students and their ability to respond to the

changing needs of a rapidly developing requirement, they are viewed as valuable resources in the

increasingly knowledge-based society, were employability becomes a product. But from a different

perspective, employability can be considered a set of skills, knowledge and attributes required by all

individuals for effective functioning at the workplace. Employability can be viewed to meet employer

needs where in some employment contexts. Achievements outside the boundaries of the discipline are

generally considered to be important in the soft skills employability program.
