Report of inauguration of Red Ribbon club and  
World Health day celebration  
ACADEMIC YEAR 2021-2022**

Date: 11/03/2022

Venue: SVCE Function hall

The Red Ribbon Club of Sri Venkateswara College of Engineering organized “World Health Day 2022” on 11.03.2022. The programme was coordinated by the RRC coordinator Dr. G. Sudha and the RRC executive committee members of SVCE. The event was graced by Ms. J. Indra, District ICTC Counsellor, DAPCU, Kanchipuram.

During the Forenoon session two activities were conducted among the students to encourage their participation and to make the event more interesting. One of the events was "Write it down" and the other was "Lawyer up". Students eagerly participated in the event and won first, second and third place certificates.

In the afternoon session program began with the prayer song. The coordinator Dr. G. Sudha gave the welcome address to all the participants present at the event. It was then followed up by AIDS awareness lecture given by Ms. J. Indra, District ICTC Counsellor, DAPCU, Kanchipuram.

The Counsellor gave a detailed talk about the AIDS, teen pregnancy, and importance of safe sex and how to lead a life by controlling hormones. Her talk was so engaging and helpful. She also stated various scenarios that she has witnessed in real life and gave insights about how students should get to respect the opposite sex and treat everyone as a dear friend. Her session was so vibrant and informative. Eventually she gave awareness about drug abuse, drunken driving and finished her talk with the oath stating that everyone should treat every other person with respect and utmost courtesy. Then it was followed by the prize distribution ceremony for the winners of the events that were conducted in the morning session. Finally, vote of thanks was given by Mr.Naidu Mahendran, Secretary of RRC. The event concluded with the national anthem being played.
