DEPARTMENT OF BIOTECHNOLOGY

**REPORT ON GUEST LECTURE ON "KNOWLEDGE EXCHANGE SESSION:
TRANSLATING THE STUDENT EXPERIENCE INTO SUCCESS IN A WORKPLACE"**

BY

**DR. POOJA SRINIVASAN, PROCESS DEVELOPMENT SENIOR SCIENTIST,
ANALYTICAL SERVICES BIOVECTRA INC., WINDSOR, NOVA SCOTIA CANADA**

06-MAY-2023

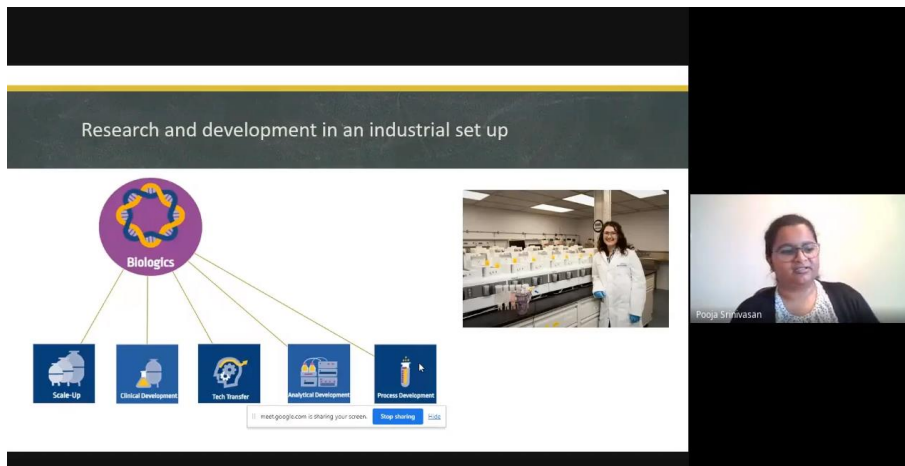

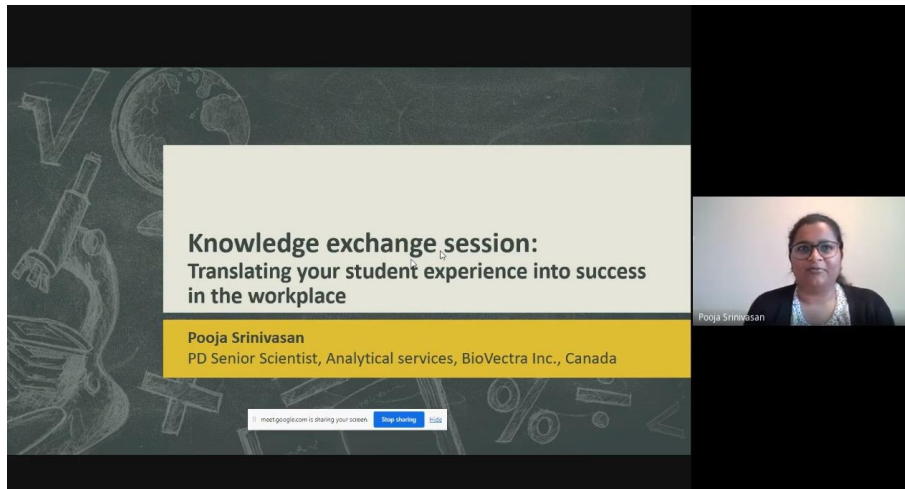

The Department of Biotechnology at Sri Venkateswara College of Engineering organized an insightful guest lecture on the topic "Knowledge Exchange Session: Translating the Student Experience into Workplace Success." The guest lecture was delivered by Dr. Pooja Srinivasan, a distinguished Process Development Senior Scientist at Analytical Services BIOVECTRA Inc. in Windsor, Nova Scotia, Canada. The event aimed to bridge the gap between academic knowledge and practical application, offering valuable insights into the transition from student life to a successful career in the biotechnology industry. Dr. Srinivasan provided practical advice on how students can adapt to the work environment, emphasizing the significance of soft skills, effective communication, teamwork, and problem-solving. She underscored the value of a continuous learning mindset and the willingness to embrace new challenges as essential components of career growth. Dr. Srinivasan shared her journey from academia to industry, discussing her academic background, pivotal career decisions, and the experiences that shaped her trajectory. This provided students with a roadmap for navigating their own career paths and making informed decisions about specialization and industry segments.

The guest lecture on "Knowledge Exchange Session: Translating the Student Experience into Workplace Success" by Dr. Pooja Srinivasan proved to be a valuable resource for students in the Department of Biotechnology. The program successfully bridged the gap between academia and industry, equipping students with insights into the practical aspects of building a successful career in the biotechnology sector. Dr. Srinivasan's expert advice, coupled with the interactive session, created an enriching experience that empowered students to make informed decisions and embrace opportunities in their professional journey.
