# RULES AND REGULATIONS

## ROUND 1:

- Participants have to participate individually.
- Images of buildings will be displayed
- Participants should identify the name and place where the building is located which is presented as the same.
- One who identifies maximum number of buildings will be qualified to round 2.

## ROUND 2:

- Participants selected from round 1 are eligible to participate in this round.
- Participants should write the names of the basic materials and equipment used in construction.
- The one who writes the maximum number of materials under the stipulated time wins.

## **BRIEF REPORT ON THE EVENT “SEEK AND SAY”**

Ms. Priyadarshini.R (Second Year / Department of Civil Engineering) gave a brief introduction on Civil Engineering Association (CEA) and explained the role of CEA in our department to the participants. She also introduced the Office Bearers to the participants. Mr. Raghavendra.B (Second Year / Department of Civil Engineering) explained the agenda and the rules and regulations of the event. The photos of the event were taken by Mr.Aadeshwar ( Second Year / Department of Civil Engineering).

The event was conducted in two rounds. During the first round all the participants were given a set of buildings and have been asked to identify them. With the results of the first round the participants were shortlisted to six members to participate in the next round. The round two was conducted for the shortlisted participants. During the second round, the participants were asked to write down the materials used for construction.

The winners of this event was concluded based on the results of second round .

### **WINNERS OF THE EVENT :**

First place - Mr. Jai Siddarth.A ( I Year Civil Engg.)

Second place - Mr. Ramanhujam.R.J (I Year Civil Engg.)

Third place - Mr. Kavin Manickam.V (I Year Civil Engg.)
