## REPORT ON

### GUEST LECTURE ON

### "DISCOVERY OF A NOVEL PAN ALLERGEN"

**2<sup>nd</sup> APRIL, 2024**

**DEPARTMENT OF BIOTECHNOLOGY**

**REPORT ON GUEST LECTURE ON "DISCOVERY OF A NOVEL PAN ALLERGEN"**

**2<sup>nd</sup> APRIL, 2024**

The Department of Biotechnology at Sri Venkateswara College of Engineering recently hosted a Guest Lecture on "Discovery of a Novel Pan Allergen" by **Dr. Ramaswamy Kalyanasundaram**, Department Head, Professor of Microbiology and Immunology, Department of Biomedical Sciences, University of Illinois, College of Medicine, Rockford, Illinois, USA, on April 2, 2024 (Tuesday) from 10:00 AM to 11:00 AM (IST) in the Biotechnology Conference Hall. A total of **70 participants** took part in the guest lecture who belong UG, PG and doctoral degrees.

The Introduction to the speaker was delivered by our final-year student, Ms. Jyotsna R. The prayer song of the event was sung by Ms. Ananya R C, final-year UG student. Dr. Ramaswamy Kalyanasundaram shared his insights and experiences from his laboratory, focusing on Advanced Immunological and Vaccine Development for Filariasis and also interacted individually with the student community and cleared all their doubts and clarifications regarding the lecture topic as well as admission into University of Illinois for their Master program.

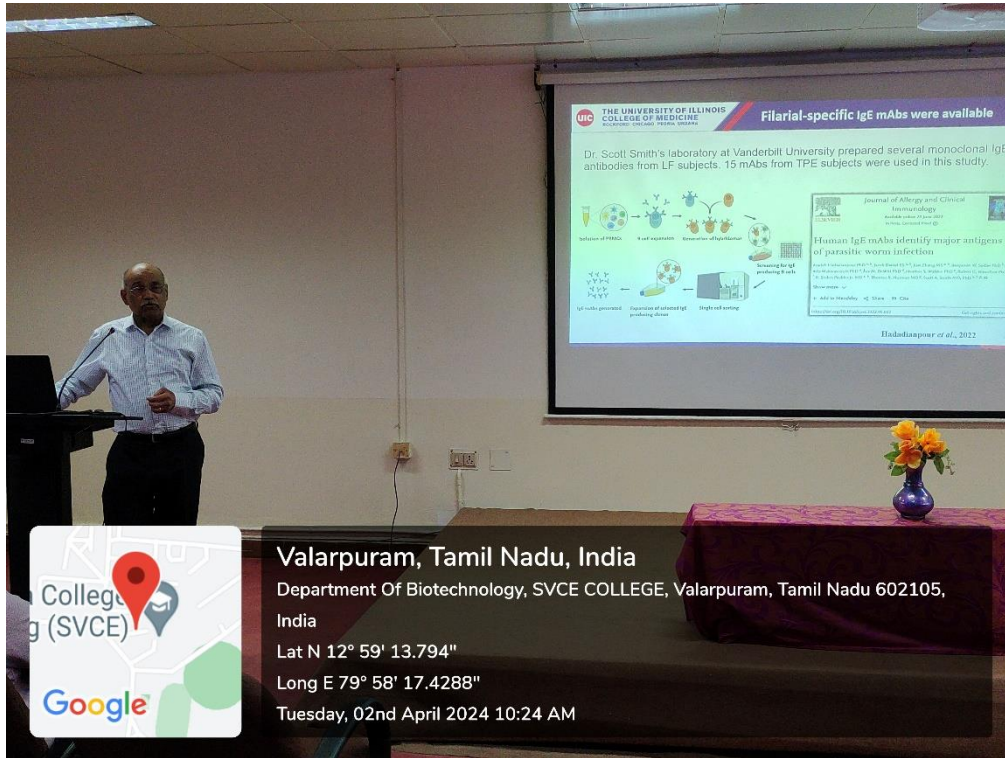

The event provided a valuable opportunity for all the students and faculty members in attendance. The event got over with a vote of thanks from the participants.
