**REPORT ON GUEST LECTURE ON "JOURNEY OF INNOVATION FOR ADVANCED
BIOPHARMACEUTICALS FROM DISCOVERY TO MARKET, WITH SPECIAL EMPHASIS
ON PRE-CLINICAL EVALUATION"**

5th JANUARY, 2024

The Department of Biotechnology at Sri Venkateswara College of Engineering recently hosted a Guest Lecture on "Journey of innovation for Advanced Biopharmaceuticals from Discovery to Market, with special emphasis on Pre-clinical Evaluation" by Dr. Sakthi Srinivasan, Customer Project Leader at M/s. Immuneed, Uppsala County, Sweden, on January 5, 2024 (Friday) from 9:00 AM to 10:00 AM (IST) in the Biotechnology Conference Hall. A total of **45 participants** took part in the workshop who belong UG, PG and doctoral degrees.

The introduction to the speaker was delivered by our final-year student, Ms. Jyotsna. The prayer song of the event was sung by Ms. Sudharsini V, third-year UG student. Dr. Sakthi Srinivasan shared his insights and experiences from undergraduate studies to his current career, focusing on Advanced Biopharmaceuticals from Discovery to Market, with a special emphasis on Pre-clinical Evaluation and trials. The students present during the guest lecture interacted with the Speaker about the topic and got it clarified.

The event provided a valuable opportunity for all the students and faculty members in attendance. The event got over with a vote of thanks from the participants.
