Dear Sir,

Greeting from the Department of Automobile Engineering, SVCE.

Glad to connect with you in recent communication. The **Association of Automobile Engineering (AAE)**, SVCE is interested to inviting you for a guest lecture for the topic "**Exploring Failure Mode and Effects Analysis (FMEA) in Industrial Practices**" in the month of March 2024. Your expertise will be very much useful for our students. Kindly provide an acknowledgment for the same.

Report on Event

Organizer: Department of Automobile Engineering, Sri Venkateswara College of Engineering

Date: 7th March 2024 (Thursday)

Venue: Bio Tech Conference Hall, Sri Venkateswara College of Engineering

Speaker: Mr. Saw Ganesan, Alumnus (2002-06),
Global Quality Auditor (South East Asia),
Hitachi Energy, Bangalore, India

The Department of Automobile Engineering at Sri Venkateswara College of Engineering organized a Guest Lecture on "**Failure Mode and Effect Analysis (FMEA) in Industrial Practices**" featuring Mr. Saw Ganesan as the speaker. The event aimed to provide students with valuable insights into the field of analysing the effects for failures in industries.

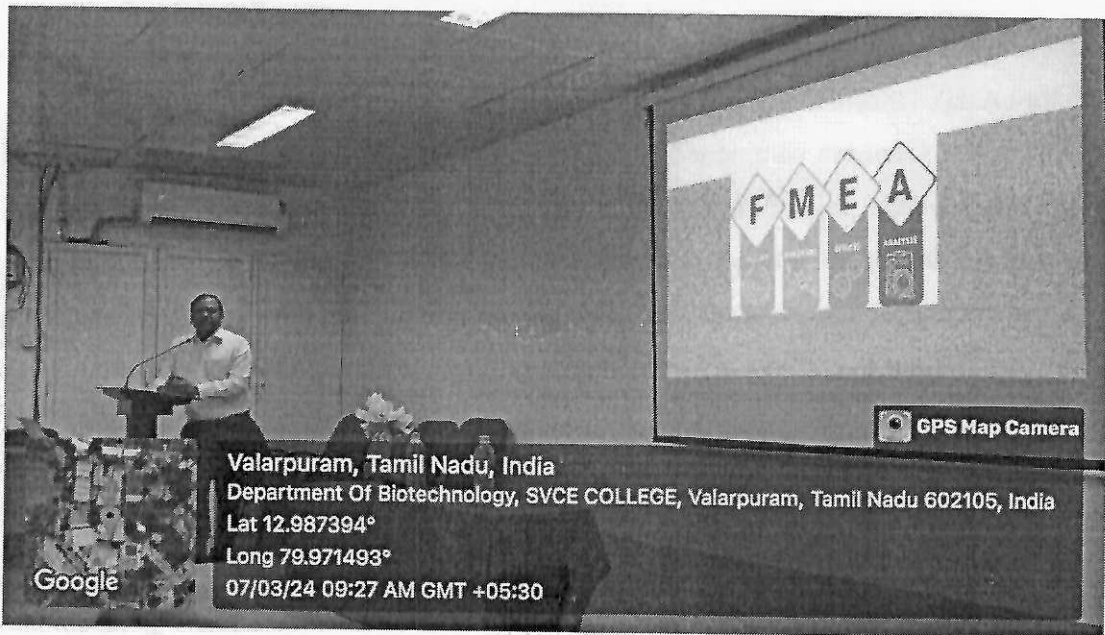

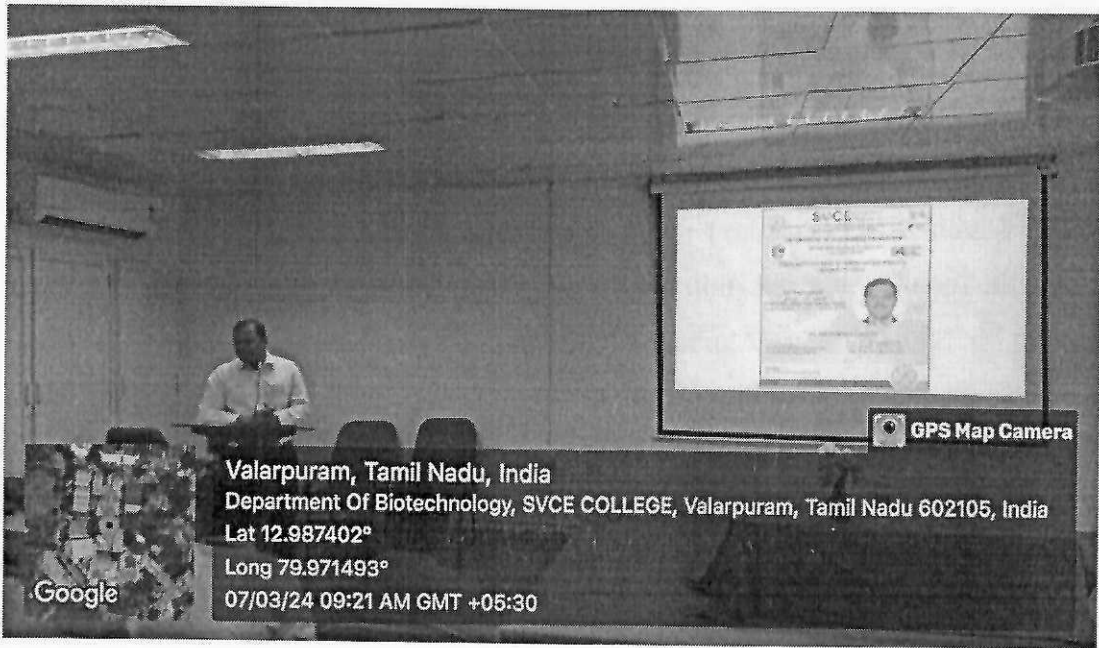

Mr. R. Sakthivel, Assistant Professor of the Department of Automobile Engineering, initiated the event with a warm welcome address. He introduced Mr. Saw Ganesan, highlighting his achievements as an alumnus of the institution and his current role as a Global Quality Auditor (South East Asia), Hitachi Energy, Bangalore, India.

Mr. Saw Ganesan commenced the lecture, students delved into the systematic approach of identifying potential failures in industrial processes and understanding their effects. Through real-world case studies and interactive discussions, attendees grasped the importance of proactive risk assessment and mitigation strategies. They gained insights into how FMEA enhances product reliability, safety, and overall quality in industrial settings, fostering a deeper understanding of its practical applications.

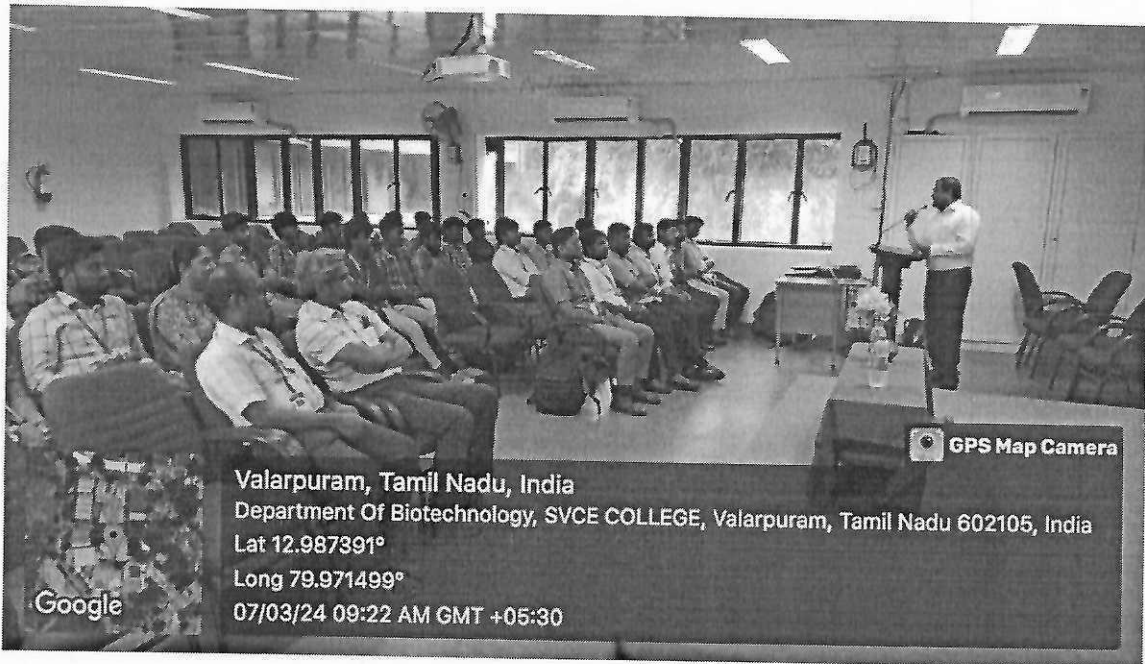

The event concluded with a Vote of Thanks delivered by Dr. V. Ganesh, Associate Professor & Assistant Head of the Department of Automobile Engineering. He expressed gratitude to Mr. Saw Ganesan for his enlightening session, acknowledging the valuable insights shared. Additionally, Mr. Sakthivel thanked all those involved in organizing the event for their efforts in making it a success.

Overall, the Guest Lecture garnered positive feedback, with participants praising its informative sessions and practical insights. Attendees appreciated the engaging presentations and interactive discussions, gaining a deeper understanding of FMEA's significance in industrial settings.

Outcome: Enhanced understanding of Failure Mode and Effect Analysis (FMEA) in Industrial Practices, increased engagement among students, and appreciation for the speaker's expertise.
