Dear Sakthivel Sir,

I am honored by the opportunity and excited to share my insights with your students. I have received the attached brochure and will review it thoroughly to ensure my presentation aligns with your expectations.

Looking forward to contributing to the academic enrichment of students at SVCE.

Warm regards,
Dhivakkar.

Dear Mr. Dhivakkar

Greetings from the Department of Automobile Engineering at SVCE.

It was a pleasure connecting with you recently. The **Association of Automobile Engineering (AAE)**, SVCE, is interested in inviting you to deliver a guest lecture on the topic "**The Future of Automobile Engineering: Opportunities and Challenges in Entrepreneurship**" on April 30, 2024. Your expertise would greatly benefit our students.

Venue : Auto CADD Lab**Time** : 10:30 AM

Please find the attached brochure for more details.

Kindly provide an acknowledgment for the same.

Report on Event

Organizer: Department of Automobile Engineering, Sri Venkateswara College of Engineering

Date: 30th April 2024

Venue: Auto CADD Laboratory, Sri Venkateswara College of Engineering

Speaker: Mr. Dhivakkar, Alumnus-(2016-20),

Budding Entrepreneur,

DC Carage, Chennai

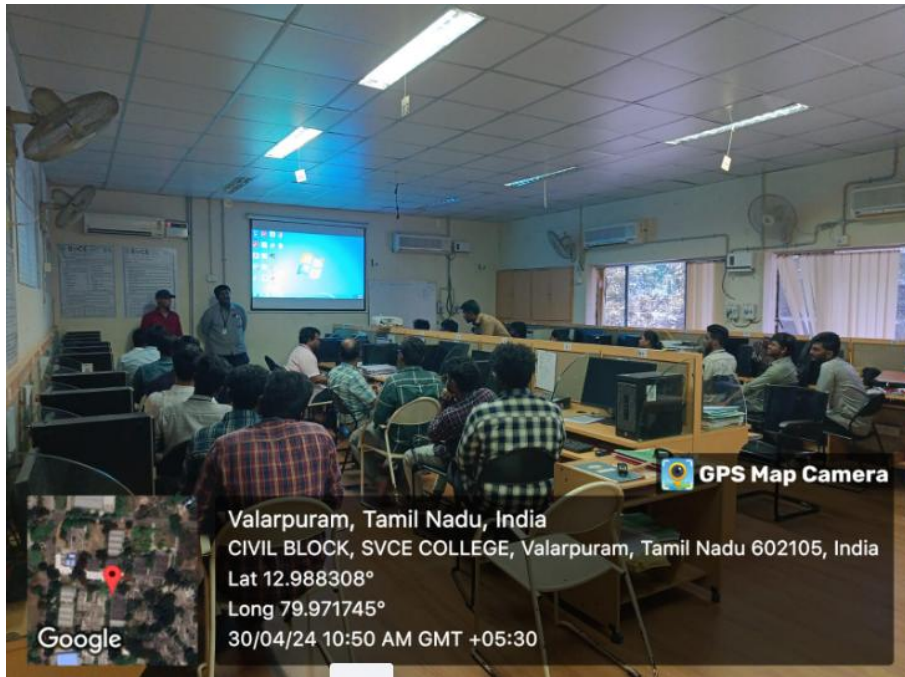

The Department of Automobile Engineering at Sri Venkateswara College of Engineering organized a Guest Lecture on "**The Future of Automobile Engineering: Opportunities and Challenges in Entrepreneurship**," featuring Mr. Dhivakkar as the esteemed speaker. The event aimed to provide students with valuable insights into the entrepreneurial aspects of the automotive industry.

Mr. A. K. Boobalaseshilraj, Assistant Professor initiated the session, welcomed the attendees and introduced Mr. Dhivakkar. **Mr. Dhivakkar's** lecture delved into the future landscape of automobile engineering, focusing on the opportunities and challenges present in entrepreneurship within the industry. Through engaging presentations and interactive discussions, attendees gained valuable insights into the evolving dynamics of the automotive sector and the entrepreneurial avenues it offers.

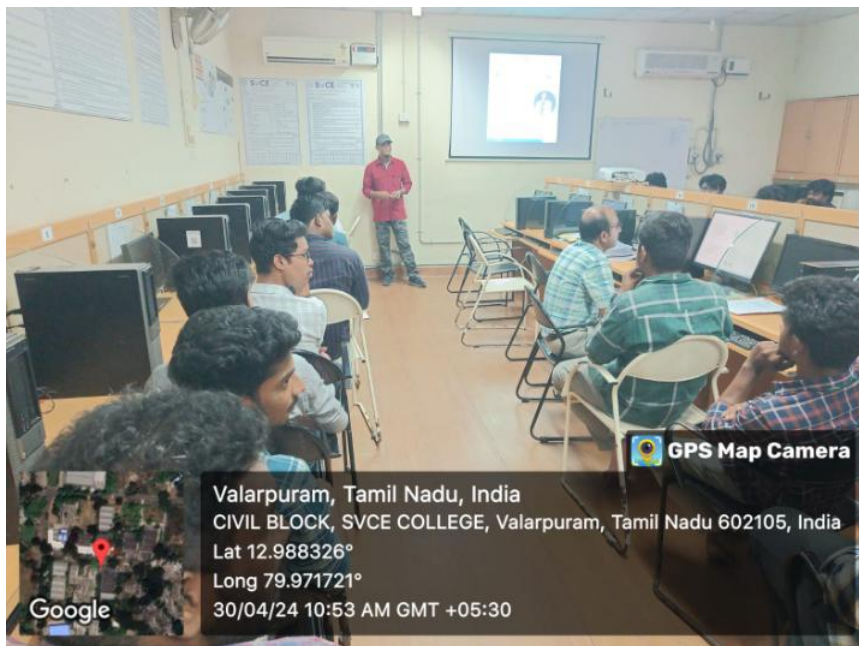

During the session, students actively interacted with the speaker, asking questions and sharing their perspectives on various topics discussed. This interaction enhanced the learning experience, allowing students to delve deeper into the subject matter and gain practical insights from Mr. Dhivakkar's expertise and real-world experiences.

The session concluded with a Vote of Thanks delivered by **Mr. J. Dhanabal, Assistant Professor** expressing gratitude to Mr. Dhivakkar for his enlightening presentation and insightful discussions.

Outcome: The lecture spurred active engagement, deepening understanding of entrepreneurial opportunities in automobile engineering, inspiring attendees with practical insights for exploration.

Mr. A. K. Boobalasantilraj, Assistant Professor introducing the Chief Guest

Mr. Dhivakkar delivering the session
