

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

CERTIFICATE COURSE ON

BASIC PNEUMATIC SYSTEMS, PLC &
HMI PROGRAMMING

In association with

**Duration:****24/07/2024 to 29/07/2024****10.00 am to 3.00 pm****Venue:****Industrial Automation Lab,
Dept. of EEE**Course highlights:

- 9 of 12 sessions - purely hands-on
- 4 of 9 sessions - hands-on sessions at industry
- Design and simulate the logic for a given pneumatic circuit
- Interfacing transducer with HMI and PLC for monitoring the process variables
- Design and implementation of PLC ladder logic program for industrial cases

Now we are open for registration!**Restricted to 25 participants
on first-cum-first-serve basis**
