Report on One-day training programme on First Aid and Chemical Lab safety organized in collaboration with YRC-SVCE unit & Guest lecture by Mr. M Lakshminarayanan, Senior General manager- SHE & HR, Steadfast safety solutions, Chennai. (07/08/2024)

Date: 07/08/2024

Time: 1:30 P.M

Venue: Biotech Seminar Hall, SVCE

AIM

The core objective of the training programme was to bring awareness to the YRC volunteers and IChE student members present about the necessity and methodologies of effective first aid measures and to impart knowledge on Chemical laboratory safety procedures.

ABOUT THE EVENT

The programme started off with the welcome address to everyone present by the President, IChE-AICHe student's chapter SVCE. It was followed by the introduction of the chief guest by Dr. N P Kavitha, IChE-AICHe student's chapter coordinator and assistant professor, Department of Chemical Engineering.

Mr. M Lakshminarayanan took the stage and delivered his lecture on laboratory safety, highlighting the importance of awareness and how slackness/unconcerned behaviour is the major cause of most safety accidents, he also stressed the importance of PPEs and laboratory protection by citing examples from his wealth of experiences. His unique way of delivery and the ability to capture the attention of the audience were really impressive and his insightful thoughts and perspectives on safety were useful to all those present.

The event concluded with respects to Mother India by way of the National Anthem.

BENEFITS

Safety is of utmost importance in any industry and is growing with a need for many experts, this programme helped equip pre-final year students with basic principles of safety and will provide a basement to develop a culture and perform the art of safety in the correct manner.
