**Report on Inauguration of IChE – AIChE-ACT STUDENT'S CHAPTER 2024-25
& Guest lecture by Shri. D. Senth Kumar, Whole time Director, Tamilnadu Petroproducts Limited (TPL), Chennai.**

Date: 29/07/2024

Time: 10:00 AM

Objective

The primary objective of this event was to bring awareness to the final year students about the recent trends and advancements in technology in the Chemical Engineering field and how industries are adapting to it.

About the event

The inauguration ceremony of IChE-AIChE - ACT student chapter for the academic year 2024-2025 took place on 29th July 2024 and the chief guest **Shri. D. Senth Kumar, Whole time Director, Tamilnadu Petroproducts Limited, Chennai** delivered a lecture on the topic of “Recent Advancements in Chemical Engineering”.

The program started off with a prayer song to invoke blessings from the almighty and followed by the lighting of the auspicious Kuthuvilakku by the chief guest. Thereafter, the President of IICHE-AICHE student chapter, delivered the welcome address to the gathering. Dr. N. Meyyappan, HOD/CHE gave a brief introduction about the chief guest.

Shri. D. Senth Kumar, delivered an insightful talk about the effect of globalization on the Indian economy, how companies and industries had to find ways to adapt to it, how, in order to stay competitive a Process industry had to innovate and obtain modern technological advancements. Similarly, he talked of how a chemical engineer must equip himself to the changing landscape of chemical technology and the expectations on a chemical engineering graduate. He concluded his talk by explaining about chemical engineering tool sets one should develop for a successful and stable career.

Benefits

This programme helped the students in attendance to gain knowledge about the changes in the Chemical Engineering field in the recent past and how they can perform better in chemical engineering by utilizing modern chemical engineering tools and equipping themselves with knowledge of the same.
