ONE DAY PROGRAM

for

“Tree Plantation Drive”

Date: 16.08.2024

Time: 9.30 am to 12.30 am

Place: Nemili Village

Tree Plantation Drive Report

Date: August 16, 2024

Location: Nemili Village Sriperumbudur

Organized by: Unnat Bharat Abhiyan Cell, Sri Venkateswara College of Engineering

Participants: 26 Volunteers (including students and faculty)

Objective:

The primary objective of the tree plantation drive was to contribute to environmental conservation efforts by increasing green cover in Nemili village, promoting biodiversity, and raising awareness about the importance of trees in combating climate change.

Activities Conducted:

- Inauguration:** The event was inaugurated by the Principal Sri Venkateswara College of Engineering, who emphasized the importance of community involvement in environmental initiatives.
- Tree Planting:** Volunteers were divided into teams, each responsible for planting trees in designated areas. The saplings were planted across the roadside of the village .

| 5 | Dr.K.Divakar | Associate Professor | Biotechnology |
| 6 | Mr M.Ananda Boopathy | Assistant Professor | Chemical Engineering |

3. **Follow-up Plan:** A follow-up plan was established to ensure the survival and growth of the planted trees. Regular watering and monitoring will be carried out by local volunteers.

Outcome:

- **Community Engagement:** The event successfully brought together a diverse group of participants, fostering a sense of community and shared responsibility for the environment.
- **Long-term Goals:** This drive is part of a larger initiative to plant 1000 trees in Nemili village over the next five years, with a focus on enhancing urban green spaces.

Conclusion:

The tree plantation drive was a resounding success, with active participation from the community and significant contributions towards environmental sustainability. The event not only added to the green cover of Nemili village but also raised awareness about the importance of trees and environmental conservation.
