Venue: Function Hall, SVCE

Introduction:

The Department of ECE under SVCE Alumni Association hosted an event on 8th August 2023, with Mr. Ahnirudh Yeshwanth Raj as the distinguished speaker. The event focused on the theme "The Future of SAP Careers: Embracing Cloud, AI, and Next Generation Technologies." It aimed to provide insights into the evolving landscape of technology careers, specifically within the SAP domain and the influence of emerging technologies.

Event Overview:

The event commenced with a prayer led by Ms. Sucharitha, setting a respectful and serene atmosphere. Mr. Ahnirudh Yeshwanth Raj, our esteemed chief guest, inaugurated the ceremony by lighting the lamp, symbolizing the beginning of an enlightening session.

Welcome Address:

Ms. Anisha, a prominent member of our association, delivered a warm welcome address, extending greetings to all attendees and expressing gratitude for their presence.

Annual Report:

Mr. Magesh presented the annual report, summarizing the association's activities and achievements over the past year, showcasing the progress and growth of the ECE Alumni Association.

Chief Guest Introduction:

Ms. Tamizharasi introduced Mr. Ahnirudh Yeshwanth Raj, shedding light on his remarkable career and expertise in SAP technologies, creating anticipation among the audience.

Address by the Head of the Department:

Dr. G. A. Sathish Kumar, the Head of the Department, addressed the students, emphasizing the importance of such events in enhancing knowledge and encouraging participation in alumni association's activities.

Guest Lecture by Mr. Ahnirudh Yeshwanth Raj:

The highlight of the event was the insightful lecture delivered by Mr. Ahnirudh Yeshwanth Raj. He discussed the dynamic nature of SAP careers in the era of cloud computing, AI, and emerging technologies. Key points from his lecture included:

How traditional SAP roles are evolving due to cloud and AI integration.

The significance of continuous learning and the acquisition of new skills.

Various career pathways within the SAP domain, including cloud architecture, data science, machine learning, and intelligent automation.

Insights into the skills and knowledge required to excel in these roles.

The audience actively participated in a stimulating Q&A session, engaging Mr. Ahnirudh with thought-provoking questions about the future of SAP careers, adapting to new technologies, and the role of formal education in staying relevant.

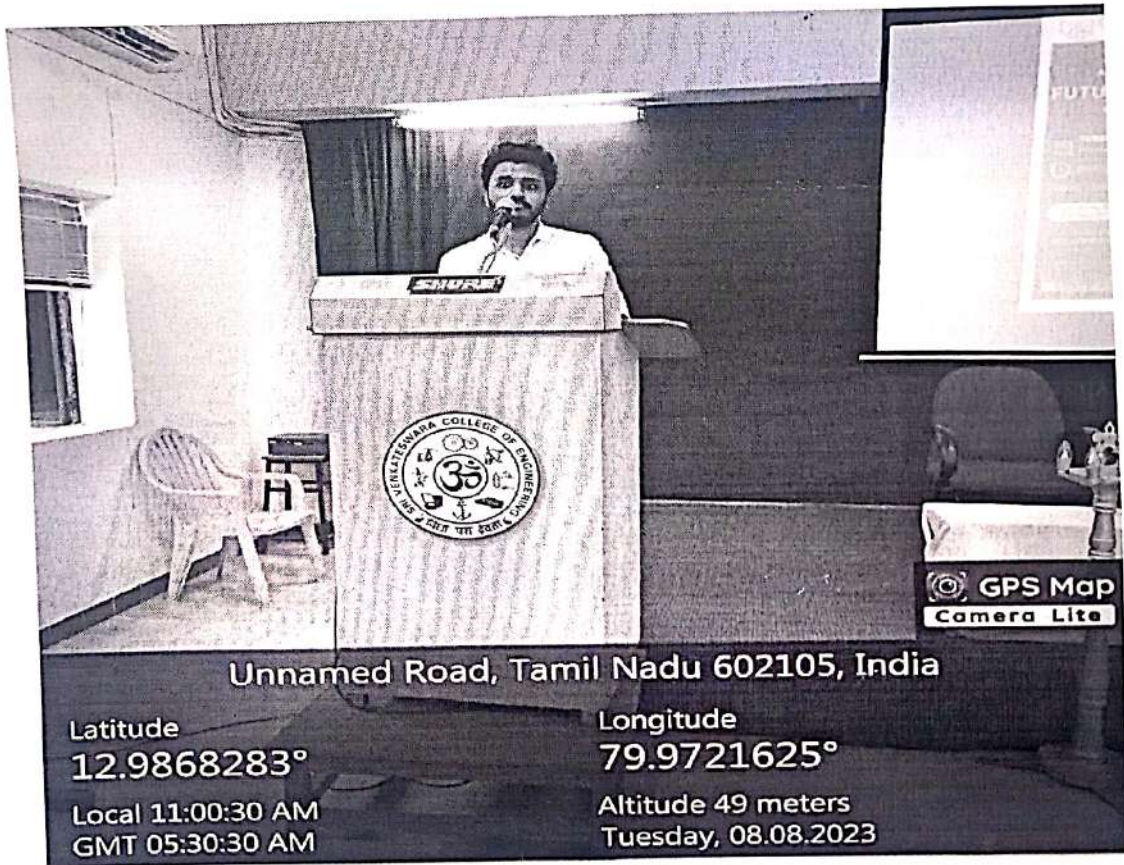

Conclusion:

The event left a lasting impact, equipping attendees with valuable insights into the ever-evolving world of SAP careers and the pivotal role that cloud, AI, and next-generation technologies play in shaping the future. Key takeaways from the event include:

A deeper understanding of the technological trends driving SAP careers.

Inspiration to explore new career opportunities within the SAP ecosystem, particularly in cloud computing, AI, and data analytics.

A strengthened sense of community among alumni.
