REPORT ON EASE THE ERROR 4.0

TEAM COMPRISING OF

Chief Patron   - Dr.S.Ganesh Vaidyanathan, Principal, SVCE
Convenors   - Dr.G.A.Sathish Kumar, Professor & HOD-ECE
                           Dr.V.Vidhya, Professor & HOD-INT
Faculty Coordinators   - Dr.T.J.Jeyaprabha, Associate Professor ECE
                           Dr.N.Devi, Associate Professor INT

"Ease The Error 4.0: 24-hour Software Hackathon" organized by the Forum Of Data Science Engineers (FODSE - SVCE) commenced on April 6th at 9:00 AM and concluded on April 7th at 3:30 PM in the Multipurpose Hall at SVCE. The event saw students providing solutions for real-world problems spanning 10 domains and addressing over 70 problem statements. The competition included three rounds of judging to identify the smartest minds among the participants. Students from various departments enthusiastically participated, fostering a collaborative spirit across disciplines. This interdisciplinary approach nurtured creativity and innovation among the students. The hackathon provided a platform for students to tackle real-world problems, enhancing their problem-solving and critical thinking abilities.

DETAILS OF THE EVENT:

Commencement of the event	06th April 2024(09:00 AM IST)
Ending of the event	07th April 2024(03:30 PM IST)
Total teams	29 Teams
Total participants	152 students
Team size	4 to 6 members in each team
Venue	Multi-Purpose Hall, SVCE

EASE THE ERROR 4.0

AGENDA

06.04.2024

08:45 a.m to 09:00 a.m.	:	Registration.
09:00 a.m to 09:05 a.m.	:	Prayer song.
09:05 a.m to 09:10 a.m.	:	Welcome address Dr.T.J Jeyaprabha, Faculty Coordinator.
09:10 a.m to 09:30 a.m.	:	Key note by Dr.G.A.Sathish Kumar, HOD-ECE Department & Dr . V. Vidhya, HoD, IT Department.
09:30 a.m to 10:00 a.m.	:	Address to the gathering by Mr.Nanda kumar Baskaran Software Development Engineer III @ Walmart Global Tech India.
10:30 a.m.	:	Start of Ease-the-Error 4.0.

EASE THE ERROR 4.0

AGENDA

12:30 p.m to 1:30 p.m.	:	Lunch.
02:00 p.m to 04:30 p.m.	:	First Round Judging.
05:00 p.m. to 05:15 p.m.	:	Tea break.
07:30 p.m. to 08:30 p.m.	:	Dinner.
08:00 p.m to 12:00 a.m.	:	Second Round Judging.

07.04.2024

07:00 a.m. to 08:00 a.m.	:	Breakfast.
10:30 a.m.	:	End of Hackathon.
10:30 a.m to 12:00 p.m.	:	Final round of Judging.
01:00 p.m to 2:00 p.m.	:	Prize Distribution & Valedictory.
02:00 p.m to 2:25 p.m.	:	Vote of thanks Dr. N.Devi.

ABOUT THE INAUGURAL

The Inaugural ceremony began with an introduction of the Chief Guest, by Akshaya(Executive Member) continued by a warm welcome address by Dr.T.J. Jeyaprabha, Associate Professor ECE (Faculty Coordinator), extended an invitation to all participants to come together. Mr. Nanda Kumar Baskaran, Software Engineer III at Walmart Global Tech India, graced the occasion as the Chief Guest.

In his speech, Mr. Nanda Kumar Baskaran congratulated the organizers for putting together such a prestigious event and commended the participants for their enthusiasm and commitment. He emphasized the importance of hackathons in fostering creativity, problem-solving, and teamwork, highlighting how such events are crucial for the growth and development of the software industry.

Dr. G.A. Sathish Kumar, Head of the Department of Electronics and Communication Engineering, welcomed all chief guests and highlighted the importance of the hackathon, wishing the participants success.

Dr. V. Vidhya, Head of the Department of Information Technology, expressed deep appreciation for FODSE's initiative in organizing the event. She emphasized the significance of interdisciplinary teams in hackathons, fostering collaboration and innovation.

Following the speeches, the event officially commenced, and the 24-hour timer started. Participants eagerly began working on their projects, ready to tackle the software challenges ahead.

Welcoming the Guest of Honour, Mr. Nanda Kumar Baskaran, Software Engineer III at Walmart Global Tech India

Dr. V.Vidhya, HOD(INT) addressing the participants

Dignitaries of the event lighting the lamp

OBJECTIVE OF THE EVENT

The objectives of "Ease The Error 4.0" align with the Program Educational Objectives (PEOs) and Program Outcomes (POs) as follows:

Program Educational Objectives (PEOs):

I. **Leading Professionals:** The hackathon aimed to provide participants with practical experience in software development and problem-solving, helping them develop the skills needed to become leading professionals.

II. **Proficient Researchers:** By engaging in the hackathon, participants were encouraged to explore innovative solutions to software challenges, fostering their research skills and encouraging them to think critically about the problems.

III. **Successful Entrepreneurs:** The hackathon provided participants with an opportunity to develop and showcase their entrepreneurial skills by creating innovative solutions and presenting them to a panel of judges and mentors.

Program Outcomes (POs):

- **PO 2: Problem Analysis:** Participants were challenged to identify, formulate, and analyse software-related issues, leading to well-grounded conclusions.
- **PO 3: Design/Development of Solutions:** Students proposed and implemented innovative solutions for software challenges, showcasing their design and development skills.
- **PO 5: Modern Tool Usage:** Participants learned to use modern software development tools and technologies to address software challenges effectively.
- **PO 9: Individual and Team Work:** Effective teamwork was essential in the hackathon, as participants collaborated in diverse teams to solve complex software challenges, contributing to their overall development.
- **PO 10: Communication:** The hackathon improved participants' ability to communicate effectively about software development activities, including presenting their solutions and explaining their approaches clearly.

Overall, "Ease The Error 4.0" aimed to equip participants with the skills and mindset, aligning with the Program Educational Objectives and Program Outcomes.

ABOUT THE EVENT

The event consisted of three judging rounds, each assessing various aspects of the participants' projects and their problem-solving skills.

The domains of the hackathon "Ease The Error 4.0" are:

1. Artificial Intelligence (AI)
2. Machine Learning (ML)
3. Blockchain
4. Sustainability
5. Healthcare and Social Impact
6. EdTech (Education Technology)
7. Data Analytics
8. Disaster Management
9. Smart Automation
10. Open Track

In the first round, participants were judged by a panel consisting of faculty members and Mr. Nanda Kumar Baskaran, along with other distinguished faculty members. This round focused on evaluating the participants' ideation and problem analysis skills.

The second round of judging was conducted by former presidents and vice presidents of FODSE. They evaluated the design and development of the participants' software solutions, looking at the creativity and technical proficiency of the projects.

The final round of judging was conducted by alumni of the college, including the Chief Guest, Mr. Biju Puthalath Thazha Kuniyil, Head of Ideation and Media Marketing at CoE Larsen & Toubro PT&D Digital Energy Solutions (INDIA). This round focused on the execution of the software solutions and the overall presentation of the projects.

Throughout the event, the judges provided valuable feedback to the participants, highlighting the strengths of their projects and suggesting areas for improvement. This feedback, along with the guidance from mentors, helped the participants refine their ideas and develop their projects further. Overall, "Ease The Error 4.0" provided participants with a valuable learning experience and an opportunity to showcase their talents in software development and problem-solving.

ABOUT THE JUDGES

The judging panel for the "Ease The Error 4.0" hackathon consisted of esteemed individuals from various fields. The hackathon, focusing on AI, ML, blockchain, sustainability, healthcare, social impact, EdTech, data analytics, disaster management, smart automation, and an open track, attracted participants eager to showcase their innovative solutions.

Round 1 Judges:

Chief Guest: Mr. Nanda Kumar Baskaran, Software Engineer III at Walmart Global Tech and an alumnus of Sri Venkateswara College of Engineering (ECE 2013-2017 batch).

Faculty Members:
1. Dr. N Devi, Associate Professor / INT
2. Dr. D Jayanthi, Associate Professor / INT
3. Dr. A Indumathi, Associate Professor / INT
4. Mr. S Siva Alagesh, Assistant Professor/ INT
5. Ms. M.Sugacini, Assistant Professor/ INT
6. Dr. T.J. Jeyaprabha, Associate Professor/ ECE
7. Mr. P. Muthukumaran, Assistant Professor/ ECE
8. Mr. S. Elangovan, Assistant Professor/ ECE
9. Ms. S. M. Mehzabeen, Assistant Professor/ ECE

Faculty judges attentively listening to presentations, providing constructive feedback to enhance project quality.

Distinguished judges meticulously evaluating projects at Ease The Error 4.0, ensuring excellence and innovation are duly recognized.

Chief Guest Mr. Nandha Kumar Baskaran joins the judging panel, offering valuable insights and expertise to the evaluation process.

Round 2 Judges (Online):

1. Maurya Vijay Ramchandran, Erlangen Nuremberg University, PhD in AI (2017-2021 batch, ECE).
2. Saurabh Sonawane, Northeastern University, Boston, Business Analytics (2018-2022 batch, EEE).
3. Uma Maheswari, Northeastern University, Boston, Business Analytics (2019-2023 batch, ECE).
4. Shruthi Elanchezhian, University of Texas, Dallas, Business Analytics (2018-2022 batch, ECE).
5. Shruthi S, Waterloo University, Canada, Business Analytics (2018-2022 batch, CSE).

Former presidents and vice presidents of FODSE join round 2 judging online, adding experience to the evaluation
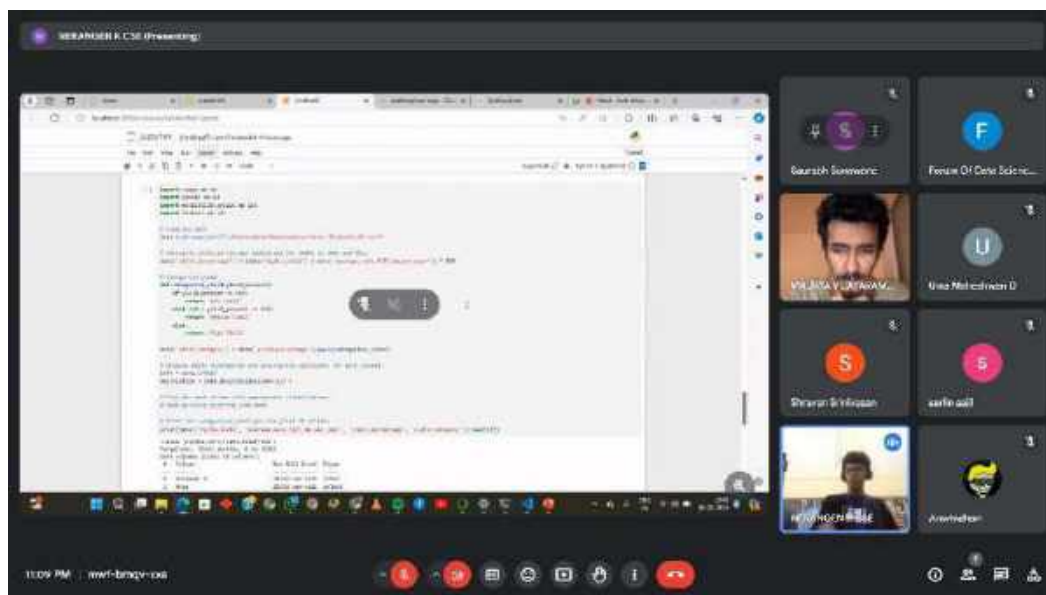

Round 2 judging delves deeper into code implementation, with judges providing insightful feedback and evaluation

Round 3 Judges:
Chief Guest: Biju Puthalath Thazha Kuniyil, Head of Ideation and Media Marketing CoE Larsen & Toubro PT&D Digital Energy Solutions (INDIA).
Alumni Judges:
1. Mr. Pradeepan, an outstanding alumnus specializing in Zoho Payroll at Zoho.
2. Ms. Swetha Gattu, a Software Developer focusing on privacy and compliance at Zoho.
3. Ms. Jana Ranjini, an Associate Tech Professional - Electrical at KBR Chennai.

The judges brought a wealth of experience and expertise to the evaluation process, providing valuable feedback to participants and contributing to the success of "Ease The Error 4.0." Their diverse backgrounds and deep understanding of the industry ensured a fair and comprehensive assessment of the projects, inspiring participants to innovate and excel in their endeavours.

Chief Guest Mr. Biju Puthalath Thazha Kuniyil, Head of Ideation and Media Marketing CoE at Larsen & Toubro PT&D Digital Energy Solutions (INDIA), joins the judging panel.

Former FODSE Vice President Mr. Pradeepan, evaluates projects based on predefined metrics

SVCE Alumni Ms. Swetha Gattu and Ms. Jana Ranjini joined the judging panel, offering their valuable feedback.

ABOUT THE VALEDICTORY

It was a moment of pride and celebration as "Ease The Error 4.0" came to a successful conclusion. The valedictory ceremony began with a warm introduction of the Chief Guest, Mr. Biju Puthalath Thazha Kuniyil, Head of Ideation and Media Marketing at CoE Larsen & Toubro PT&D Digital Energy Solutions (INDIA), by Laksiya. Mr. Biju is a distinguished professional with a wealth of experience in the field, and his presence added great value to the event.

The alumni judges, Mr. Pradeepan, Ms. Swetha Gattu, and Ms. Jana Ranjini, were recognized for their invaluable contribution to the hackathon. Their expertise and insights were instrumental in guiding the participants towards innovative solutions.

As the event reached its end, the winners were announced amidst much anticipation and excitement. The projects that stood out were praised for their creativity, technical excellence, and potential impact. **Mr. Biju Puthalath Thazha Kuniyil further added to the excitement by offering internship opportunities for four teams at L&T India Ltd., recognizing their exceptional talent and potential.**

Finally, Dr. N. Devi, Associate Professor/INT, delivered a heartfelt vote of thanks, expressing gratitude to all the participants, judges, mentors, and organizers who made the event a grand success. She highlighted the spirit of innovation and collaboration that defined the hackathon, emphasizing the importance of such events in fostering talent and driving technological advancements.

As the curtains drew to a close on "Ease The Error 4.0," it was evident that the event had not only showcased the participants' skills and creativity but had also served as a platform for learning, networking, and innovation.

Winner Details:
