Proposal for conducting a webinar series on "Essential skills for crafting quality research"

09-05-2024

Submitted to HoD-ECE,

Respected Sir,

**Subject: Requesting permission to organize a webinar series on "Essential skills for crafting quality research"**

We propose to organize a webinar series on the topic "Essential skills for crafting quality research" on 23rd May to 25th May 2024. The proposed webinar series will cover topics such as understanding the patent publication process, learning the basics of LaTeX documentation and other key elements for journal publications. We intend to invite experts and professionals in this field to serve as guest speakers, ensuring that participants receive high-quality content and knowledge. The webinar is open to all faculty members of SVCE. In consideration of the above, we kindly request your approval to proceed with organizing and conducting the webinar series in the above mentioned dates. We assure you that we will take all necessary measures to ensure the success and integrity of the event.

Thanking you,
