

National Service Scheme

Annual Report 2023-24

Over view

The NSS activities for the year 2023-24 are started in April 2023. The unit activities are planned to provide training on public health. In addition, the awareness programmes are also arranged on National level youth policies and activities. To the above purpose students of our college are taken to participate in various programmes of Rajiv Gandhi National Institute for youth Development, Sriperumbudur. To motivate the social responsibility in the public life, awareness on the democratic rights and rules of election are provided to our students through Self-management practice by public oriented govt. events. As regular programmes and annual special camps organized in the nearby villages of Sriperumbudur, the personality development, social transformation trends for the upliftment of the society are achieved through such programmes of NSS

1. Naan Mudhalvan Scheme

26th April 2023

1. Name of the Program : Naan Mudhalvan Scheme
2. Venue : Government School, sri perumbudur
3. Date : 26.04.2023
4. Number of Days : 1 Day
5. Number of Volunteers Involved : 40 Volunteers
6. Number of Beneficial : 40 Volunteers

7. Description:

The Naan Mudhalvan Scheme is a state government initiative that provides skill training to 1 million students annually, enhancing their talents and employability. It focuses on improving spoken English and offers academic counseling to students in government schools. On April 26, 2023, NSS volunteers from Sri Venkateswara College of Engineering (SVCE) visited a government-run school at Sriperumbudur to learn about the scheme and its opportunities. The event, from 9:30 AM to 4:30 PM, included sessions by teachers on career options after 12th grade, covering academic courses, vocational training, and skill development programs.

Dr. A. Anandavadivel emphasized the importance of education and skill development, encouraging the use of the scheme's resources. Teachers provided practical career insights, including qualifications, scholarships, entrance exams, and admission procedures. The volunteers were provided with transportation and food, ensuring their comfort. The event effectively prepared the NSS volunteers to educate students about the scheme, motivating them to pursue higher education and develop their skills.

8. Durable Asset Developed: Rs. 4000.

2. NSS – ROAD SAFETY AWARENESS PROGRAM 3rd August 2023

1. Name of the Program : NSS Road Safety Awareness program
2. Venue : SP Office Kanchipuram
3. Date : 3.8.2023
4. Number of Days : 1 Day
5. Number of Volunteers Involved : 3 volunteers
6. Number of Beneficial : 3 volunteers
7. Description:

The Sriperumbudur Police Station invited the NSS Programme Officer and volunteers from the SVCE NSS unit to participate in a meeting focused on road safety awareness. The gathering included police personnel, RI, VAO, representatives from the 108 ambulance service, and the NSS team. During the event, participants provided feedback on road safety issues, sharing their thoughts and concerns. The Deputy Superintendent of Police (DSP) and Superintendent of Police (SP) also addressed the audience, offering valuable insights into improving road safety.

In addition, the NSS volunteers showcased a prototype they developed using linear regression to predict accidents based on road traffic conditions. This innovative approach was well-received by the attendees, who appreciated the volunteers' efforts to contribute to road safety through data-driven solutions. The event was a success, highlighting the importance of collaboration between law enforcement, emergency services, and educational institutions in promoting public safety.

8. Durable Asset Developed: Rs. 1500

3. Independence Day Celebration 15th August 2023

1. Name of the Program : Independence Day Celebration
2. Venue : Sri Venkateswara College of Engineering, Sriperumbudur
3. Date : 15.08.2023
4. Number of Days : 1 Day
5. Number of Volunteers Involved : 20 volunteers
6. Number of Beneficial : 20 volunteers
7. Description:

The 77th Independence Day of our nation was celebrated with great enthusiasm on 15th August 2023 at our college. The celebration commenced with the hoisting of the Indian National Flag by the esteemed Chief Guest, Prof. S. Shanmugam, Head of the Department of Marine Engineering. The event was graced by the presence of Program Officers, Dr. Ananda Vadivel and Dr. T. Sukumar, who actively participated alongside the NSS volunteers.

Following the flag hoisting, the gathering observed the Rastriya Salute and sang the National Anthem, instilling a sense of patriotism among all attendees. The Chief Guest then addressed the gathering, reflecting on the significance of Independence Day and the importance of contributing to the nation's progress.

The celebrations also featured a series of cultural performances by students, showcasing the diverse talents and creativity of the college community. These performances added vibrancy to the event and highlighted the cultural richness of our nation. The program concluded on a high note, leaving everyone with a renewed sense of pride and commitment to the country.

8. Durable Asset Developed: 20 X 100 = Rs. 2000/-

4. NSS – ORIENTATION PROGRAM

15th November 2023

1. Name of the Program : NSS Orientation program
2. Venue : Function Hall , Sri Venkateswara College of Engineering, Sriperumbudur
3. Date : 15.11.2023
4. Number of Days : 1 Day
5. Number of Volunteers Involved : 220 volunteers
6. Number of Beneficial : 220 volunteers

7. Description:

On November 15, 2023, the orientation programme for the newly enrolled volunteers in the 2023–24 was arranged in the college. Dr. A. Anandavadivel, Sr. PO-NSS, presided over the event and Prof. Sharmishtha Bhattacharjee, Professor of sociology and the head of the social engineering division, Rajiv Gandhi National Institute of Youth Development, Sriperumbudur, was the chief guest of the day. Two hundred and twenty volunteers enthusiastically participated. Sr. PO-NSS delivered the welcome address. The detail of NSS mission, purpose, and activities are briefed. He highlighted on how NSS helps people to develop their personalities, the satisfaction of giving, the benefits it brings into one's life and the practice of volunteering to others. The chief guest was introduced by the Sr. PO-NSS. The Chief Guest in her address provided her enlightening and motivational speech on social engineering, encouraging all volunteers to contribute as much as they possibly could.

8. Durable Asset developed: 220x100 = Rs. 22000/-

5. National Integration Rastriya Ekta Diwas Pedge 22nd December 2023

1. Name of the Program : National Integration Rastriya Ekta Diwas pledge
2. Venue : Function Hall , Sri Venkateswara College of Engineering, Sriperumbudur
3. Date : 22.12.2023
4. Number of Days : 1 Day
5. Number of Volunteers Involved : 97 volunteers
6. Number of Beneficial : 97 volunteers
7. Description:

The National Integration Rastriya Ekta Diwas Pledge for the year 2023-24 was held on 22.12.2023 in function hall. Dr. A. Anandavadivel, Sr. PO-NSS, presided over the event. He welcome the gathering and gave an introduction to the necessity of the pledge as follows. In 2014, Rashtriya Ekta Diwas or National Unity Day was introduced by the government of India. The official statement for Rashtriya Ekta Diwas was provided by the home ministry of the country.

It cites that the National Unity Day “Will provide an opportunity to re-affirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity and security of our country”. He read the pledge as below: “I solemnly pledge that I dedicate myself to preserve the unity, integrity and security of the nation and also strive hard to spread this message among my fellow countrymen. I take this pledge in the sprit of unification of my country which was made possible by the vision and actions of Sardar Vallabhbhai Patel. **“I also solemnly resolve to make my own contribution to ensure internal security of my country”** which has been repeated by Dr. D. Amudhavalli, Mrs. S. M. Abinaya and the students. With national anthem, the function came to an end.

8. Durable Asset: 97 X 100 = Rs. 9700/-

6. Republic Day Celebration 26th January 2024

1. Name of the Program : Republic Day Celebration
2. Venue : Sri Venkateswara College of Engineering, Sriperumbudur
3. Date : 26.01.2024
4. Number of Days : 1 Day
5. Number of Volunteers Involved : 20 volunteers
6. Number of Beneficial : 20 volunteers
7. Description:

The Republic Day celebration at our college was a grand and meaningful event, reflecting the spirit of patriotism and unity. The ceremony began with the hoisting of the National Flag, a moment of pride and reverence for all attendees. The flag was hoisted by our distinguished guest, Wing Commander D. Gurunath Reddy (Retd.), Procurement Expert at the Project Implementation Unit, CMDA, Chennai. Following the flag hoisting, Wing Commander D. Gurunath Reddy delivered an inspiring Republic Day special lecture.

In his address, he shared his experiences and insights, emphasizing the significance of Republic Day in our nation's history and the responsibilities that come with being citizens of a democratic country. His words resonated deeply with the audience, encouraging students and faculty alike to uphold the values enshrined in our Constitution. The program concluded with the singing of the National Anthem, leaving everyone with a sense of pride and commitment to the nation. The event was a resounding success, bringing together the college community in a celebration of our Republic and reinforcing the importance of unity, patriotism, and civic responsibility.

8. Durable Asset: 20 X 100 = Rs. 2000/-

7. Annual Special Camp - Unit 1 and II

26th February - 3rd March 2024

1. Name of the Programme: NSS - Annual Special Camp- 2024
2. Venue : Government high school, Valarpuram and Mevalurkuppam,
Sriperumpudur Post
3. From : 26.02.2024
4. To : 03.03.2024
5. Number of Days : 7 Days
6. Number of Volunteers involved: 94 Volunteers
7. Number of Beneficial: General public of 2 villages

NSS Camp Unit 1, Sri Venkateswara College of Engineering for the AY:2023-24 was conducted for 7 days from 26th February 2024 to 3rd March 2024.

Day 1

The inauguration of the Annual NSS Special Camp was held on February 26th, 2024, at St. Anne's High School in Valarpuram. The event featured addresses from the Vice Principal of SVCE, the Headmaster of Valarpuram, the Senior Program Officer, and other program officers, with active participation from NSS volunteers. Dr. A. Ananda Vadivel and Dr. T. Sukumar provided insights into the history and significance of NSS, followed by a motivational speech from the Chief Guest, Dr. K.R. Santha, Vice Principal and Head of the Department of Electrical and Electronics Engineering. The ceremony concluded with the honoring of the Village Panchayat President, Mr. Ebby, the Chief Guest, and the School Headmaster by one of the volunteers.

During the afternoon session, Unit 2 volunteers gathered at Mevalurkuppam High School along with Program Officer Dr. T. Sukumar. Mrs. S.M. Abinaya, the Headmistress of Mevalurkuppam, shared a personal anecdote highlighting the benefits of participating in the NSS program. Lunch

was provided to all volunteers and program officers. In the afternoon, NSS volunteers conducted a village survey to explore the residents' livelihoods, challenges with government programs, social issues, health concerns, educational aspects, and environmental issues.

In the afternoon session, the volunteers were divided into seven groups to conduct a survey. They engaged with numerous villagers to understand their needs, collecting 94 completed forms that helped identify the facilities required to improve their quality of life.

On Day 2, the morning session began with temple cleaning activities. The volunteers were split into two groups: one group went to Agathiyar Temple to clean the temple and its surroundings, while the other group performed similar tasks at Amman Temple. Dr. Sridharan, Associate Professor at SVCE, was invited to deliver a lecture to the volunteers on the topic "Engineering Technology towards Social Service."

In Unit II on the second day, the volunteers were organized into four groups: Social Mission, Environmental Mission, Educational Mission, and Health Mission, to assist the village residents. Dr. V. Sridharan, Associate Professor from the Mechanical Engineering Department at SVCE, gave an expert talk on integrating engineering and technology to create solutions for a better future. A survey was conducted to identify illiterate residents in the village with the aim of providing them with basic signing instructions.

In the afternoon session, the volunteers were divided into seven groups to conduct a survey. They engaged with numerous villagers to understand their needs, collecting 94 completed forms that helped identify the facilities required to improve their quality of life.

On Day 2, the morning session began with temple cleaning activities. The volunteers were split into two groups: one group went to Agathiyar Temple to clean the temple and its surroundings, while the other group performed similar tasks at Amman Temple. Dr. Sridharan, Associate Professor at SVCE, was invited to deliver a lecture to the volunteers on the topic "Engineering Technology towards Social Service."

In Unit II on the second day, the volunteers were organized into four groups: Social Mission, Environmental Mission, Educational Mission, and Health Mission, to assist the village residents. Dr. V. Sridharan, Associate Professor from the Mechanical Engineering Department at SVCE, gave an expert talk on integrating engineering and technology to create solutions for a better future. A survey was conducted to identify illiterate residents in the village with the aim of providing them with basic signing instructions. In the afternoon session, volunteers are divided into 5 groups and educated the primary school students with basic of science and Mathematics.

During the afternoon session, the volunteers took on the important task of cleaning St. Anne's High School in Valarpuram, meticulously ensuring that the school premises were spotless. Their efforts not only enhanced the school's environment but also demonstrated the volunteers' commitment to creating a healthier and more conducive learning space for the students.

On Day 3,

The forenoon session commenced with the initiation of a sapling plantation project near Agathiyar Temple. Volunteers diligently prepared the area by digging 10 pits around the temple and along the boundaries of the pond in Valarpuram. This effort marked the beginning of a significant environmental initiative aimed at enhancing the natural beauty and ecological health of the temple surroundings.

On the third day of the camp, Unit II NSS volunteers visited Brahma Kumari's Aishwarya Vishwa Vidyalaya near the Sriperumbudur toll gate. There, they were introduced to Raja Yoga by Mr. Brahma Kumar and Mr. Satheesh Kumar, culminating in a visual presentation of Raja Yoga meditation. In the afternoon, volunteers from the Social Mission cleaned two temples near Mevalurkuppam village, while those from the Educational Mission provided basic signing instructions to illiterate locals and discussed the importance of government programs and opportunities. Meanwhile, Health Mission volunteers educated the villagers about public hygiene practices.

On day 4,

In the morning, volunteers participated in a rejuvenating yoga practice session led by Dr. Nalin Kant Mohanty, a distinguished professor from the EEE department at SVCE. This session not only promoted physical well-being but also provided the volunteers with valuable techniques for enhancing their mental focus and overall resilience. During the afternoon session, the NSS Unit-1 team visited the Brahma Kumari Art Gallery, where the volunteers received insightful guidance on the fundamentals of meditation. The experience offered them a deeper understanding of mindfulness practices, emphasizing the importance of meditation for personal growth and mental well-being.

On the fourth day of the camp, Unit II began with a morning session addressed by Dr. N.K. Mohanty, a professor from the Electrical and Electronics Engineering department. He provided a brief overview of the positive effects of yoga, emphasizing how various asanas contribute to maintaining physical and emotional well-being. Dr. Mohanty also taught the NSS volunteers a series of simple asanas. Refreshments and lunch were provided to the participants. In the afternoon, the NSS volunteers organized an engaging rally that started at Mevalurkuppam High School, covering a 2 km route around the village before concluding back at the school. During the rally, the volunteers educated the community on basic personal and public hygiene, road safety rules, social awareness, and environmental protection.

On the fifth day of Unit II, the afternoon session involved the planting of 25 saplings near Agathiyar Temple and along the pond's boundaries in Valarpuram. The temple trust awarded the volunteers a letter of appreciation for their efforts. An additional session featured an informative lecture on fire safety and the use of fire extinguishers, delivered by Mr. R. Somasundaram, a professor of Marine Engineering.

Later on the fifth day, Mr. Somasundaram, Assistant Professor in the Marine Engineering Department at SVCE, conducted an instructive session on fire safety, firefighting techniques, and the proper use of fire extinguishers. In the afternoon, the volunteers planted a portion of the saplings. They were divided into groups to educate students from grades 6 to 10 on topics such as sanitation, self-hygiene, and water conservation. This was achieved through the use of charts, self-explanation, demonstrations, skits, and flashcards.

On the sixth day, the forenoon session featured a rally aimed at raising awareness about "Environmental Sustainability," with a focus on "Saving Water," "Avoiding Plastics," and "Waste Management." In the afternoon, volunteers educated school students about road safety and conducted a personal hygiene awareness session for girl students in classes 9 and 10. Additionally, volunteers completed the planting of all remaining saplings near the village pond and on the school grounds. In the afternoon, they provided career guidance to tenth-grade students as part of the educational mission. The volunteers also cleaned the school premises as part of their social work efforts. The day concluded with the Senior Program Officer discussing the work completed and the lessons learned during the camp.

On the seventh day, a valedictory function was organized at St. Anne's High School in Valarpuram for both NSS units. Dr. S. Ganesh Vaidyanathan, Principal of Sri Venkateswara College of Engineering, addressed the gathering. Unit I successfully completed all the assigned tasks, reaffirming their commitment to community service and expressing their eagerness to continue contributing in the future. During the closing ceremony, Unit II NSS volunteers gathered in Valarpuram, where the Principal of SVCE delivered an address. A spokesperson from each unit presented reports on their activities, and all NSS volunteers were awarded certificates for their active participation.

Day 1(26/02/2024) Inauguration of NSS camp and survey held to identify common issues in village

Day 2 (27/02/2024): Expert talk on education and Public survey to identify village illiterates

Day 3 (28/02/2024): Visit to Brahmakumaris Art gallery , temple cleaning @mevalurkuppam, school cleaning and helped old people to take their pills.

Day 4 (29/02/2024):Yoga session and Awareness Rally near the surroundings of Mevalurkuppam.

Day 5 (01/03/2024): Expert awareness on usage of Fire extinguisher and Interaction with school students on water conservation and hand washing(using charts)

Day 6(02/03/2024): Sapling plantation, career guidance to SSLC students, Discussion of work done in village with PO and volunteers

Day 7: Valedictory function and certificate distribution by Principal SVCE

8. POLIO DROPS DISTRIBUTION: CAMPAIGN
07.03.2024

1. Name of the Program : POLIO DROPS DISTRIBUTION Campaign
2. Venue : Toll Plaza-Sri Venkateswara College of Engineering,
Pennalur, Sriperumbudur.
3. Date : 07.03.2024
4. Number of Days : 1 Day
5. Number of Volunteers Involved : 03 Volunteers
6. Number of Beneficial : 61 Children five years and below.
7. Description:

The Pulse Polio Immunization for the year 2024 was carried out on 07.03.2024, Sunday at Toll Plaza, near college. The activity started at 7.30 A.M. Three Senior NSS volunteers actively participated and administered polio drops to children up to five years. 61 children were administered polio drops and are benefitted. Dr S Ganesh Vaidhyanadan, Principal, Sri Venkateswara College of Engineering came to the venue and appreciated the service rendered by volunteers and Program Officers who effectively guided the students until the end of the day.

8. Durable asset Developed: INR 3000.-

9. BLOOD DONATION CAMP
7th March 2024

1. Name of the Program : Blood Donation Camp
2. Venue : Function Hall , Sri Venkateswara College of Engineering, Sriperumbudur
3. Date : 07.03.2024
4. Number of Days : 1 Day
5. Number of Volunteers Involved : 297 volunteers
6. Number of Beneficial : 297 volunteers
7. Description:

The NSS team organized a blood donation camp on 07.03.2024 at the Sri Venkateswara College of Engineering's Function Hall. The event aimed to save lives by collecting blood donations from volunteers. Meenakshi Kanchipuram Hospital was invited to manage the blood collection. The camp started at 9:00 A.M. and continued until 3:30 P.M., allowing ample time for SVCE students to participate. The event saw a large turnout, with many volunteers eager to contribute. Meenakshi Kanchipuram Hospital, known for its quality service, conducted the blood collection with professionalism and care, ensuring all safety protocols were followed. The camp was a success, collecting a significant number of blood units that will provide crucial support to patients in need. The NSS team expresses heartfelt thanks to Meenakshi Kanchipuram Hospital for their invaluable support in making this event possible.

10. Cancer Awareness Programme

22.05.2024

1. Name of the Program : Cancer Awareness Programme
2. Venue : Bio-Tech Seminar Hall, Sri Venkateswara College of Engineering, Pennalur, Sriperumbudur.
3. Date : 22.05.2024
4. Number of Days : 1 Day
5. Number of Volunteers Involved : 40 Volunteers
6. Number of Beneficial : 40 Volunteers
7. Description:

On 22.05.24, an NSS Cancer Awareness program was conducted in recognition of World No Tobacco Day. Dr. Vijay, the dispensary doctor at SVCE, led the session, emphasizing the dangers of tobacco use and its strong link to cancer. He explained that cancer is a complex disease with significant physical, emotional, social, and economic impacts. Dr. Vijay discussed various causes of cancer, including genetic, environmental, and lifestyle factors, particularly highlighting the role of tobacco and alcohol in causing uncontrolled cell growth. He outlined key preventive measures such as regular medical checkups, avoiding tobacco, getting vaccinated against cancer-causing infections like HPV and Hepatitis B, and protecting the skin from UV radiation with sunscreen. Dr. Vijay also touched on different types of cancer, like Melanoma and Carcinoma, and provided tips on identifying them early. The session was interactive, with volunteers asking questions and clearing their doubts. Overall, the program successfully educated the volunteers about the importance of leading a tobacco-free lifestyle and taking proactive steps to prevent cancer.

8. Durable asset Developed: INR 4000.-

11.WORLD ENVIRONMENT DAY

6th June 2024

1. Name of the Program : World Environment Day 2024
2. Venue : Library Conference Hall , Sri Venkateswara College of Engineering, Sriperumbudur
3. Date : 06.06.2024
4. Number of Days : 1 Day
5. Number of Volunteers Involved : 30 volunteers
6. Number of Beneficial : 30 volunteers

7. Description:

On June 6th, 2024, our NSS team, in collaboration with the NCC and Institution Innovation Council, celebrated World Environment Day. The event was presided over by Dr. T. Sukumar, NSS Program Officer, with enthusiastic participation from thirty NSS volunteers. The celebration began at 1:30 P.M. with a tree plantation drive at SVCE. Following this, a seminar on “Environmental Pollution and its Control” was presented by Dr. M. Gajendiran, Assistant Professor in the Department of Mechanical Engineering, at the seminar hall of Dr. A C Muthiah Central Library, SVCE. The event concluded with the national anthem, leaving participants enriched by the experience.

9. Durable Asset developed: Rs. 3000.

Seminar presentation by Dr M Gajendiran

12.INTERNATIONAL YOGA DAY

21st June 2024

1. Name of the Program : International Yoga Day 2024
2. Venue : Open Air Theatre, Sri Venkateswara College of Engineering, Sriperumbudur
3. Date : 21.06.2024
4. Number of Days : 1 Day
5. Number of Volunteers Involved : 15 volunteers
6. Number of Beneficial : 15 volunteers

7. Description:

International Yoga Day, celebrated globally on June 21st, brings people together through the ancient practice of yoga. With its origins in India over 5,000 years ago, yoga has crossed cultural and geographical boundaries to become a universal practice that promotes overall well-being. This day provides an opportunity to embrace the physical, mental, and spiritual benefits of yoga, fostering harmony and peace. Dr. T. Sukumar, NSS Program Officer, presided over the event held at the Open Air Theatre of Sri Venkateswara College of Engineering. Thirty NSS volunteers participated enthusiastically, with fifteen actively engaging in the yoga session and reaping its benefits.

9. Durable Asset developed: Rs.1500
