

## REPORT ON NATIONAL SCIENCE DAY

SVCE Science Club at Government Boys Higher Secondary School, Sriperumbudur, celebrated National Science Day on February 28, 2024, from 10:00 am to 12:00 pm. Dr. N. R. Sheela delivered an enlightening speech on the day's theme. The event featured a lively Quiz competition with various rounds such as 'Simple Recall Test,' 'Connections,' and 'Rapid Fire.' Students enthusiastically participated, showcasing their knowledge and thinking skills.

After rigorous competition and exciting rounds, three students emerged victorious in the Quiz competition. They were awarded certificates and science quiz books by Dr. N. R. Sheela, the Headmaster, and Assistant Headmaster of the school. To commemorate the occasion and promote environmental awareness, all participants and teachers received biodegradable pens as tokens of appreciation.

The event concluded with a vote of thanks, acknowledging the collaborative efforts of the Science Club, school staff, and students in making the National Science Day celebration a memorable and educational experience.

In view of National Science Day, a workshop titled "Science Driving Engineering" and a quiz competition were organized for Government Girls School students in association with the Bureau of Indian Standards Club at SVCE Campus.

The workshop aimed to inspire interest in science and engineering, featuring hands-on activities, guest lectures, and career guidance sessions. The quiz competition added an element of fun and knowledge-sharing, fostering a spirit of curiosity and innovation among the participants.
