

SRI VENKATESWARA COLLEGE OF ENGINEERING
An Autonomous Institution-Affiliated to Anna University
Department of Electrical and Electronics Engineering

The following list of scholars have completed their PhD degree

Sr. No.	Supervisor Name and Address	Research Scholar Name	Date of Viva Voce	Title of the Thesis
1.	Dr.KR Santha SVCE, Sriperumbudur	Ms.N.Shanmugavadivu	10.10.2022	Design of Dual Input Multi Output Boost Converter for Grid Connected Micro-inverter Applications
2.		Ms. S. Rajalakshmi	12.05.2023	Hybrid Recommender System Using Systolic Tree For Pattern Mining
3.		Ms. S. Arulmozhi	13.07.2023	A New Isolated Multiport Converter Topologies For Standalone PV Applications
4.		Mr. M. Athappan	04.08.2023	Design and Analysis of High Speed Arithmetic Circuits And Multi-Operand Adders For Dsp Applications
5.	Dr.NK Mohanty SVCE, Sriperumbudur	Mr.S Nanda Kumar	28.08.2023	Optimized fuzzy logic based controller for frequency regulation of micro grid with renewable sources
6.		Mr. I Venkatraman	02.12.2022	Assessment of Clean Energy Potential In India Using Multi Criteria Decision Analysis
